KANSAS 4-H EVENTS - YOUTH CODE OF CONDUCT

As a participant in Kansas 4-H Events, you have the responsibility of representing Kansas 4-H programs to the public. You are expected to conduct yourself in a manner that will bring honor to you, your family and 4-H. To do that, you must:

1. Attend all sessions in the planned program. If you are unable to attend, please tell the adult in charge.
2. Follow hours and room rules established before the event begins. You are responsible to know the rules for each event.
3. Dress appropriately for each event. The adults in charge should have guidelines to help you.
4. Be responsible to know and use language and manners appropriate for Kansas 4-H.
5. Be in the assigned program area (for example: cabins, barns, etc.) at all times.
6. Know that the use of tobacco, alcohol and non-prescribed drugs is illegal and prohibited at all 4-H events.
7. Model respect for other persons, facilities and vehicles. You will be personally responsible for any damage caused as a result of your behavior.
8. Help other members in your group have a pleasant experience by making every attempt to include all participants in activities. Know that harassment of any type is illegal and prohibited at all 4-H events.

KANSAS STATE FAIR

Minimum age to exhibit at the Kansas State Fair, 4-H Division is 9 on January 1st of the current year. Except where otherwise noted, a non-livestock 4-H exhibit receiving a purple ribbon at this county fair is eligible to be entered at the Kansas State Fair. Check the state fair exhibitor’s handbook, available at the Extension Office, for limits on the number of entries that can be made in any one division at the state fair. The state fair exhibitor’s hand-book is also available on the web at:

http://www.kansasstatefair.com/competitive/Exhibitor

Non-Livestock exhibits will be taken to and picked up from the state fair by Extension Office staff. All you need to do is sign up to have your qualifying exhibits entered. Contact the Extension Office as quickly as possible, because the entry deadline is typically in early to mid-August. The Kansas State Fair begins on the first Friday following Labor Day in September, and runs through the following weekend. It is held in Hutchinson, Kansas, and it takes approximately 3 – 3½ hours to drive there from Kansas City. Exhibitors interested in entering livestock at the Kansas State Fair can find the necessary information and form at the following website:

https://www.asi.k-state.edu/students-and-programs/youth-programs/nominated-livestock/
**FAIR RULES & REGULATIONS**

1. All exhibits will remain in place throughout the Fair. Non Livestock entries in the 4-H division may be picked up Noon until 3:00 p.m. on the Sunday after the Fair. Livestock exhibits will be released after the final livestock auction loadout has left the grounds the Saturday of the fair.

2. The Wyandotte County Fair Association, its officers, directors and superintendents, cannot be responsible for any damage, loss, or injury to exhibitors, or other persons, exhibits or other properties while on the fairgrounds, whether loss or damage arises from an accident or any other cause.

   Under Kansas law, there is no liability for an injury to or the death of a participant in domestic animal activities. You are assuming the risk of participating in this domestic animal activity. K.S.A. 60-4001, et seq.

3. All cars and trucks admitted to the fairgrounds exhibit areas and barns must be removed to the parking field after loading and unloading.

4. Riding of horses, except in designated areas, and careless driving of wheeled vehicles is prohibited.

5. No dogs, cats or other pets, except those animals required for disability assistance, or those being exhibited, shall be allowed on the Fairgrounds.

6. Those animals allowed on the Fairgrounds must be properly restrained and must meet current health requirements. Any animal posing a threat to the safety and enjoyment of Fair guests will be removed.

7. Alcoholic beverages are not allowed to be brought in by exhibitors or fairgoers.

---

**Exhibits**

1. The Wyandotte County Fair is the official County 4-H Club Fair and 4-H members must exhibit here to be eligible for out-of-county, regional or state competition.

2. Exhibitors should check the 4-H Fair Handbook rules for pre-entry deadlines, times entries are to be submitted for exhibition and times exhibits will be judged.

3. 4-H requirements apply to all exhibits, unless otherwise stated in division instructions.

4. Competition is open to all 4-H members currently enrolled in Wyandotte County 4-H community clubs.

5. The 4-H member must own the exhibit being entered in the fair, except in Horseless Horse, Round Robin, and the Farm Animal Management Program.

6. The member must be enrolled in the project in which the exhibit is being made on or before May 1st of the current 4-H year. The Extension Office shall provide lists of enrolled members to each superintendent prior to exhibit check-in.

7. The project exhibit must have been made within the current 4-H year with the intention of it being for fulfilling the requirements of the 4-H project.

8. Exhibit entry tags must be obtained from Community Club Leaders or at the June 4-H Council Meeting. Only club leaders may obtain entry tags from the Extension Office. Entry tags are to be filled out completely and clearly and brought to the Fair with the exhibits. Additional information may be needed for various entries; therefore, the exhibitor should read all the instructions in each division for further information.

9. Each exhibitor is limited to one exhibit in each class, except where division rules state otherwise.

10. Classes marked in this book with (X), are not State Fair eligible.

11. Exhibits shall be entered in the correct division and class. Exhibits entered in the correct division, but in the wrong class shall have their ribbon placing lowered one place.
Judges, Judging and Equal Application of the Danish Ribbon System:

1. Exhibits are judged against a set of standards for the type of exhibit. All exhibits, with the exception of livestock exhibits, will not be compared to each other and they are not ranked from best to worst. Standards from Kansas State University Research and Extension will be used to the extent that they are available.

2. Exhibits will be placed in purple, blue, red and white ribbon groups in accordance with the Danish system, except in the Rabbit Division (see Rabbit Division). Grand Champion and Reserve Champion ribbons will be awarded from those exhibits receiving a purple ribbon, unless, in the opinion of the class judge, there is no exhibit of Grand Champion and/or Reserve Champion quality; furthermore, no Reserve Champion ribbon can be awarded if a Grand Champion ribbon has not been awarded.

3. All exhibits will be provided with this explanation of the Danish Ribbon System prior to starting to judge the exhibits.

4. All exhibits will receive a ribbon, based on the Danish Ribbon System as follows:
   a. A red ribbon means the exhibit has met all minimum standards. It shows an honest effort has been made. There are visible signs of needed improvement. Red ribbon is average.
   b. A blue ribbon means the project exceeded minimum standards. It has smaller flaws but improvements can be made. Blue ribbon is above average.
   c. A purple ribbon means the exhibit is outstanding on all standards. There are usually no flaws or only a few minor ones that only the trained eye would see. Purple ribbon is excellent.
   d. A white ribbon means that for one reason or another, the exhibit did not meet all the minimum standards. This ribbon is probably the most misunderstood of all. It does not mean that the exhibit is not worthwhile.
   e. All Cloverbud participants will receive a participation ribbon. There will be no premium.

5. A photographer designated by the Extension Office will photograph 4-H members who are awarded Grand Champions. If the designated 4-H photographer is present immediately after the judging, then the photographs may be taken then; otherwise, you need to sign up at 4-H desk.

6. 4-H members receiving trophies or other prizes sponsored by companies and individuals are reminded to promptly send thank you cards to the sponsors of their award. If you are unsure of the sponsor, please check with your superintendent or project leader.

7. Conference judging shall be available for all divisions exhibited in the 4-H Exhibit Building, unless otherwise noted, and superintendents shall provide notice to the exhibitors about when the judging will take place. If the number of exhibits in a division creates a time problem, then the superintendents may limit the number of items to be conference judged by any one exhibitor, provided that the limitations set are applied equally to all exhibitors in the division.

8. The decisions of the judges are final and no appeal will be considered.

9. Judges shall not be related to any Wyandotte County 4-H member exhibiting in the division being judged. “Related to” is defined as parent, sibling, grandparent, aunt, uncle, cousin within the first degree, and/or legal guardian. Judges shall not be agents or paid staff of the Wyandotte County Extension Office. Exceptions may be made in case of an extreme emergency.

10. Judges shall be qualified to judge in their respective divisions.

11. Judges will be compensated for their actual time and mileage at one trip per day.

12. Attempts shall be made to change judges in a division from year to year.
13. 4-H members must pick up their fair premiums from their club leader by December 1 of the current year. If unable to do so, arrangements must be made with the club leader. If a 4-H member does not pick up fair premium funds by December 1, the premiums will be donated to the member’s community club.

**Parade of Champions**

1. The Parade of Champions will be held in the Show Arena at 7:00 p.m. on the last Saturday of the Fair.
2. All 4-H members who are awarded a Grand Champion that wish to participate in the Parade are to report to the Show Arena by 6:30 p.m. to line up for the Parade.
3. Exhibits may be checked out of the Exhibit Building between 5:30 p.m. and 6:00 p.m. for the Parade. The 4-H member must sign a checkout list at the 4-H desk in the 4-H office in the Exhibit building and agree to return the exhibit to the building immediately after the Parade, where the exhibit will remain until the entry release time. Exhibits not returned after the Parade of Champions will forfeit ribbons and premiums.

**Requirements for Exhibiting Livestock at the Wyandotte County Fair**

*Please refer to current years Newsletters for specific dates of weigh-ins and tagging.*

1. Livestock entries are limited to residents of Wyandotte County, unless the exhibitor is a member of a Wyandotte County 4-H community club.
2. All animals are subject to examination by the exhibition staff or their representatives, and shall be free of clinical signs of infections or contagious disease. While no health certificate is required, local veterinarians will be present, as coordinated by the Wyandotte County Fair Association, to inspect all animals to see that there is no evidence of a contagious or infectious disease. The animals will be inspected at the time of unloading or shortly thereafter. The veterinarian’s decision will be final. Owners are encouraged to work with their own veterinarians for injured or sick animals.
   No animals with warts will be allowed.
3. Chickens that will be sold in the livestock sale must have a negative pullorum test; testing will occur at time of unloading.
4. Livestock entries must be in place by 8:30 a.m. on Tuesday, the week of the fair.
5. No bedding will be allowed outside the livestock barn except in designated areas.
6. The 4-H member must do all fitting and showing of livestock, with help only from relatives and current Wyandotte County 4-H members. “Relatives” are defined as; parent, sibling, grandparent, aunt, uncle, cousin within the first degree, and/or legal guardian. 4-H Livestock Advisory Committee members are encouraged to give guidance with fitting of livestock. No professionals may be involved. Any deviation from this may result in disqualification.
7. The exhibitor must own the animals shown in Fitting and Showing classes, except in the Horseless Horse, Farm Animal Management Program, and Round Robin classes.
8. 4-H livestock market animals weighed-in and tagged with the official Kansas 4-H Logo ear tag cannot be shown in the breeding classes.
9. Market livestock will be weighed only one time for official fair weight. A 4-H member may request a reweigh of his/her market animal at the time of the first weigh-in; the animal will be taken off the scale, the scale will be balanced and the animal will be immediately reweighed.

10. All fans shall be properly and securely mounted on a fan stand or hung from permanent parts of the building structure, and electrical cords shall be placed in such a manner that horses and livestock are unable to chew them, or otherwise create a dangerous situation.

11. Any 4-H/FFA member that has previously shown in a 4-H/FFA class at a county fair in the current year is only eligible for open class exhibition.

12. The Farm Animal Management Project (FAMP) is a Wyandotte County Project only. There is no State Fair equivalent. All animals’ species will allow for an inclusion of a 4-H member who is enrolled in self-determined FAMP and the animal species. The 4-H member may be allowed to show an animal that is not owned by the 4-H member to gain knowledge of the species but not be allowed to sell the animal in the auction.

Livestock Auction

1. The Livestock Auction will be held at 7:30 p.m. on the last Friday of the fair.

2. A limit of 2 animals per 4-H member may be sold at the auction.

3. Any animal judged not ready for processing, not carrying a sufficient amount of finish, will NOT be sold in the Livestock Sale. White ribbon animals will be considered not ready for processing.

4. Minimum weights for animals to be sold in the Livestock Sale are: Beef: 900 pounds; Market Hogs: 190 pounds; Market Lambs: 90 pounds; Meat Goats: 40 pounds. If an animal does not make minimum weight requirement and minimum rate of gain, it cannot be shown in Market class, but can be shown in Fitting & Showing.

5. The auction will be a premium auction.

6. A floor price will be established on each animal, which is the minimum price guarantee.

7. Steers, sheep and hogs sold at the Livestock Auction are subject to the Kansas Livestock Check-off Laws. $1.00 per steer, $0.25 per lamb and 0.35% of the floor price on hogs will be withheld and sent in to comply with the law.

8. Two and a half percent (2.5%) of the proceeds from the 4-H Livestock Sale will be set aside and deposited in a fund to help pay for the 4-H Livestock Buyers Dinner.

9. Five dollars ($5.00), per head sold in the auction, will be withheld and deposited into the Wyandotte County 4-H Livestock Club account to pay for all documents and mailings necessary for the livestock projects in 4-H.

10. 4-H members who wish to sell livestock in the auction must complete the “Intent to Sell at the Livestock Sale” and “Residue Avoidance Program” forms and submit to their superintendent or project leader by Thursday at 8:00am.

11. 4-H members may pick up their sale premium check from the Wyandotte County Fair Association on or after August 29th provided their livestock buyers have paid. Checks to 4-H members cannot be written until funds are received to cover the 4-Her’s check.

12. Any questions regarding the Livestock Auction can be directed towards the Wyandotte County Fair Association or the Wyandotte County 4-H Livestock Club.
Requests for Rule Variance

4-H members who believe they have a legitimate need to deviate from any rule should file a “Request for Rule Variance” form with the Superintendent of the Division in which the rule is to be applied. If it involves a general rule, then the form should be filed with the Extension Office. The Request for Rule Variance needs to be filed within a reasonable time to allow the Grievance Board to meet and make a decision on the request.

Interpretation of Rules and Grievance Procedure

1. The Wyandotte County Fair Board makes all rules and regulations concerning the Fair and reserves the final and absolute right to interpret these rules and regulations.
2. The 4-H divisions of the Fair are also subject to rules established by Kansas State University Research & Extension, as summarized in this section of the 4-H fairbook.
3. The Extension office provides a Grievance Board to address 4-H issues. Questions should first be addressed to the superintendent of the division in which the exhibit is entered. Any 4-H member or his/her parent wanting to file a protest on the qualifications or eligibility of any competing person, animal or object submitted for competition and showing in any 4-H class or event at the Wyandotte County Fair must comply with the following procedure:
   a. The protest must be in writing, using the official form available from the 4-H division superintendent or the Extension Office.
   b. The written protest must be submitted to the superintendent of the division in which the protested exhibit is made or to the Extension Office if the protest concerns the eligibility of a 4-H member to compete in a 4-H division of the fair.
   c. The written protest must be submitted within 24 hours following the incident giving rise to the protest. The written protest will be handled by persons designated by the Executive Board of the Wyandotte County Extension Council, and its decision shall be final. If, however, the Grievance Board determines that the nature of the protest is not 4-H related, then the person filing the protest will have the option of taking his/her protest to the Wyandotte County Fair Board. In considering the grievance, the Grievance Board shall meet as a group. The persons involved in the grievance may speak at the Grievance Board’s meeting if they choose or if the Grievance Board requests more information. However, only Grievance Board members may be present while discussing and making the final decision on the grievance.
   d. Request for Rule Variance and for Incident Report forms are available at the Extension Office or during fair, at the 4-H office in the exhibit building.

Conference Judging: Monday, July 11, 5-7pm

Rules:
1. A fair entry tag is needed. It must be attached to the item.
2. A member may enter more than one exhibit in each class.
3. When articles which are normally worn as a pair are exhibited, both articles must be shown together.
   Fasten articles together securely with yarn.
4. Special consideration will be given to articles that are of original design. Such articles should have a note attached explaining the original design.
5. The exhibitor may attach an index card, no larger than 3” x 5”, with the entry form to give the judge any information which the exhibitor thinks would be helpful for the judge to know. Examples:
   i. Explain whether you created the fabric for a knitted article by hand or by a knitting machine.
   ii. Explain if the exhibit contains any recycled materials, or is made of at least 90% wool.
6. Exhibitors must be enrolled in the specific Fiber Arts Project for the Class in which they are exhibiting.
   When the exhibit is a sewed garment that also includes one or more Fiber Art techniques (i.e. knitting, crochet, needle arts, or patchwork and quilting), the determination of what division (Clothing or Fiber Arts) and class in which to enter will be left to the 4-H participant. However, the exhibit cannot be entered in more than one division.
7. There are no age-specific classes in Fiber Arts. The judges will consider the exhibitor’s age and years in the project.
8. 4-H members ages 9 and older (as of January 1st of the current year) who receive a purple ribbon at the county fair will be eligible to exhibit that item at the Kansas State Fair, in accordance with state fair rules.
9. All exhibits designed to hang must have the appropriate hanger, rod, wire or other mechanism attached in order to be properly displayed.

Division 8 • Clothing & Textiles - Clothing Buymanship

4-H Project Leader: KSRE Staff

Pre-Registration due Monday, June 20, 8:00am-4:30pm at the KSRE Office
Consultation judging will be Saturday, June 25, held from 12:00pm – 3:00pm
Bonner Springs United Methodist Church -- 425 West Morse -- Bonner Springs, KS 66012
Entries due at the fairgrounds Monday, July 11, from 5:00pm-7:00pm

Rules:

1. Any 4-H member enrolled in Clothing & Textiles for the current 4-H year may enter this division.
2. Single Outfit Display is an outfit, such as a dress; a skirt and blouse; slacks, trousers or jeans and a blouse or shirt; a pair of shorts and a blouse or shirt; a skirt or slacks, blouse and jacket; trousers, shirt and sport jacket; suit, shirt and necktie; etc. Each outfit shall also have displayed with it appropriate hosiery and shoes. The complete outfit must have been selected by the 4-H member and purchased during the current 4-H year or made for the 4-H member from a pattern and fabric selected by the 4-H member during the current 4-H year for the purpose of the Clothing & Textiles project. Accessories such as hats, gloves and/or jewelry may also be displayed with the outfit.
3. Wardrobe Building Display - At least 6 items in the entry must have been selected by the 4-H member and purchased during the current 4-H year or made for the 4-H member from a pattern and fabric selected by the 4-H member during the current 4-H year or any combination of purchased and constructed items — for the purpose of the project. The 6 items must coordinate, such that the pieces can be mixed and matched, even though they may not all be worn at the same time. Example: a skirt, a pair of slacks, 2 blouses, a vest and a jacket, any of which may be worn with any of the other items. Accessories such as hats, gloves and/or jewelry may also be displayed with the outfit.
4. Sport team or cheerleading uniforms will not be allowed in this division, because these items are selected by the team coaches or school officials and are purchased for purposes other than fulfilling the requirements of the Clothing & Textiles project.
5. The display may not include background decorations or any items not part of the clothing ensemble worn by the 4-H member.
6. Mannequins will be provided if the 4-H member wishes to display the clothing items in this manner rather than on a hanger.
7. Garments may have been worn, but should be laundered and pressed before entry.
8. The exhibit shall also include the totally completed entry form available from the clothing superintendent, style revue description, and a photo of the 4-H member wearing the complete outfit attached to the entry form. In the Wardrobe Display classes, photos of the 4-H member wearing the items in at least 3 combinations will be required.
9. There is no limit on the number of entries the 4-H member may make in the Single Outfit class; however, each member may make only one entry in the Wardrobe Display class.
10. There is no State Fair entry class for Clothing Buymanship exhibits.
11. It is required that members who participate in Clothing & Textiles – Buymanship must exhibit their clothing items during the Fair or premiums will not be paid. Bring entries with tags to the fairgrounds Monday, July 11, 5-7pm.

Classes:
Class 1 - Single Outfit display by a 4-H member, age 7, 8 or 9, enrolled in Clothing & Textiles.

Class 8 - Wardrobe Building Display by a 4-H member, age 15, 16, 17 or 18, enrolled in Clothing & Textiles.

Division 9 • Clothing & Textiles – Construction

4-H Project Leader: KSRE Staff

Pre-Registration due Monday, June 20, 8:00am-4:30pm at the KSRE Office
Consultation judging will be held Saturday, June 25, from 10:00am – 12:00pm
Bonner Springs United Methodist Church -- 425 West Morse -- Bonner Springs, KS 66012
Entries due at the fairgrounds Monday, July 11, from 5:00pm-7:00pm

Rules:
1. Item(s) must have been made by the 4-H member enrolled in Clothing & Textiles during the current 4-H year.
2. More than one entry may be made in each class.
3. Coordinated outfits, such as a skirt and blouse, a pair of slacks and a blouse, or a jumper and blouse, designed to be worn together, should be exhibited as one entry.
4. Garments may have been worn, but should be laundered and pressed before entry.
5. Pre-cut kits are acceptable for all clothing divisions; however, all articles/garments must be finished for use.
6. Required Identification Labels:
   a. Type or print on a 3”x21/2” piece of cloth: Class Number and Exhibitor Name.
   b. Hand-baste label on inside of garment (back of neck, center back of waistband, or left end of apron band). Label each piece.
   c. Place entry form and score card on front left shoulder seam of garment or to the left side of waistband.
7. Educational classes: share with others what you learned in this project. Exhibits may be in the form of a poster, notebook or display. Follow copyright laws. Take care to select durable materials that will withstand fair conditions. No card tables are allowed. If the exhibit is a poster, it must not be larger than 22”x28”. If the exhibit is a display, maximum size allowed is a 2’x3’ tri-fold display board. Please mark your name and class number on the back of the poster or display board, or on the inside back cover of the notebook.
8. Sewing basket classes: Any appropriate container may be used for the collection and creative display of sewing tools, including all basic tools and any optional tools the 4-H member wishes to include. There is no state fair category for this exhibit.
9. Only exhibits receiving a purple ribbon will be eligible for State Fair entry. State Fair rules allow only 2 clothing exhibits - one constructed and one educational - per exhibitor.
10. A grand champion may be awarded from those exhibits receiving a purple ribbon, in each age level, if the judges deem the work to be of championship quality.
11. Classes: marked (X) are not eligible for state fair exhibit.
12. It is required that members who participate in Clothing & Textiles – Construction must exhibit their clothing items during the Fair or premiums will not be paid. Bring entries with tags to the fairgrounds Monday, July 11, 5-7pm.

Division 10 • Clothing & Textiles -- Style Revue
4-H Project Leader: KSRE Staff
Pre-Registration due Monday, June 20, 8:00am-4:30pm at the KSRE Office
Clothing & Textile Construction Style Revue: Saturday June 25 from 10:00am -12:00pm
Clothing Buymanship Style Revue: Saturday June 25 from 12:00pm – 3:00pm
Bonner Springs United Methodist Church -- 425 West Morse -- Bonner Springs, KS 66012
Entries due at the fairgrounds Monday, July 11, from 5:00pm-7:00pm

Rules:
1. The constructed garment or outfit, or the purchased single outfit worn in the Style Revue must have been constructed or purchased during the current 4-H year by the 4-H member enrolled in Clothing & Textiles for the purpose of fulfilling the goals of the project. If the garment constructed by the 4-H member is a single piece, such as a skirt, slacks or blouse, then the remainder of the outfit may be purchased or made by someone else. However, if the entry is a single outfit from Clothing Buymanship, then the entire outfit must have been selected by the 4-H member and purchased during the current 4-H year - or made for the 4-H member from a pattern and fabric selected by the 4-H member during the current 4-H year.
2. Sport team or cheerleading uniforms will not be allowed in this division, because these items are selected by the team coaches and are purchased for purposes other than fulfilling the requirements of the Clothing & Textiles project.

3. Definitions of garment, outfit, single outfit and wardrobe building display are the same for this division as for divisions 8 and 9. Wearable items knit or crocheted by the 4-H member during the current 4-H year are also acceptable entries as a garment constructed by the 4-H member in this division.

4. Only 4-H members may model, unless the 4-H member constructed the item of clothing to be worn by someone else; in that case, the person for whom it was constructed may model the constructed item as long as the 4-H member appears on stage with the model.

5. Each 4-H member enrolled in Clothing & Textiles may enter up to 6 Classes: in the Style Revue, provided that the items selected are also exhibited in Clothing Buymanship or Clothing Construction during the county fair. Items exhibited in Clothing Buymanship as part of the Wardrobe Building Display may be entered in this division, but should be entered as separate outfits - clothing on hangers may not be carried by the 4-H member while being judged. Example: if the Wardrobe Building Display consists of a skirt, a pair of pants, 2 blouses, a vest and a jacket, the 4-H member may want to model the skirt with one of the blouses, the vest and the jacket as one entry in this division, and the pants, the other blouse, the vest and the jacket as another entry in this division; any combination of items from the Wardrobe Building Display would be entered in this division as a single outfit purchased by the 4-H member.

6. All required paperwork must be submitted to the Superintendent prior to the start of the Style Revue judging. See the June newsletter, or contact the Superintendent or the Extension Office to obtain these forms.

7. Boys and girls will not be judged separately; however, the judges will select the top girl and the top boy eligible to attend the State Fair Style Revue.

8. A grand champion may be selected in each level from those entries receiving a purple ribbon, if the judge deems the entry to be of championship quality.

Division 23 • Geology
4-H Project Leader: Rachel Bechelmayr
Entries Accepted: Sunday, July 10th 3:00pm-5:00pm and Monday, July 11th, 7:30am-9:00am & 5:00pm-7:00pm
Conference Judging: Monday, July 11, 5-7 pm

Rules:
1. Open to all members enrolled in the Geology Project
2. The standard size exhibit box should be 18 x 24 x 3 1/2 inches.
3. All specimens are to be arranged across the narrow (18") dimension of the exhibit box, making the exhibit 18 inches wide and 24 inches deep.
4. If a box has a sliding glass or Plexiglas cover, it must be removable from the top. Screws, locks or other devices that would prevent the judge from removing the glass cover should not be used. Plexiglass preferred.
5. Each exhibitor is required to identify each display box by placing an identification label bearing name, county, and number of specimens in the upper left-hand corner of the box (inside), and by attaching a label with name, county, and number of specimens to the back of the box (outside). The inside label is to also indicate the class number.
6. Exhibitor may enter in both geology and lapidary classes. Exhibitor may only show in one of the first four classes in geology. Exhibitor may also show in geology Class 5 (special exhibit) and in one or more of the lapidary classes.
7. Geology specimens should be labeled with the number of specimens, date collected, specimen name or description, and locality (county) where collected, of the specimen.
8. For geology classes, specimens should be mounted in the box by proper groups: rocks, mineral or fossils.
9. For geology classes, all specimens must be collected from locations in Kansas. Out of state specimens will not count in the minimum number for the class, nor will they be considered in the judging.

Classes:
Class 1 - Geology: Display at least 15 different rocks, mineral or fossils collected during the current 4-H year. Limited to one exhibit box 18 x 24 x 3 1/2 inches with glass or Plexiglas cover. Only those exhibiting at county fair for the first time may enter this class. For 4-Hers seven and over as of Jan. 1, fossils must be identified to the phylum level.
Class 2 - Geology: Display at least 30 different rocks, mineral or fossils (at least five of each) with 12 collected during the current 4-H year. Limited to one exhibit box 18 x 24 x 3 1/2 inches with glass or plexiglass cover. Only those exhibiting at county or state fair for the first or second time may enter this class. For 4-Hers ten and over as of Jan. 1, fossils must be identified to the phylum level.
Class 3 - Geology: Display at least 45 different rocks, mineral or fossils (at least five of each). More than one specimen of the same kind of rock or mineral or species of fossil may be exhibited if this duplication represents different geological formations. Specimen label must show this distinction. (Fort Hays limestone not just limestone; exact species must have different formation names listed on the I.D. card; Compostia Brachiopoda from Morrill Limestone not just Brachiopoda or Compostia Brachiopoda). Limited to two exhibit boxes 18 x 24 x 3 1/2 inches with glass or Plexiglas cover. Exhibit must include 15 specimens of current years’ work. Only those exhibiting at the state fair for the third or fourth time may enter this class. Fossils must be identified to the phylum level and rocks must be identified by their proper name and type.
Class 4 - Geology: Display at least 60 different rocks, mineral or fossils (at least five of each). More than one specimen of the same kind of rock or mineral or species of fossil may be exhibited if this duplication represents different geological formations. Specimen label must show this distinction. (Fort Hays limestone not just limestone; exact species must have different formation names listed on the I.D. card; Compostia Brachiopoda from Morrill Limestone not just Brachiopoda or Compostia Brachiopoda). Limited to two exhibit boxes 18 x 24 x 3 1/2 inches with glass or Plexiglas cover. Exhibit must include 15 specimens of current years’ work. Only those exhibiting at the state fair for the fifth time or more may enter this class. Fossils must be identified to the phylum level and class if possible, and rocks must be identified by their proper name and type.

Class 5 - Geology: Special exhibit relating geology to everyday living; or to a mineral test, a rock formation, geological history, species of a fossil, forms or one mineral, a variation of one kind of rock, archeological artifacts, or Indian artifacts. Exhibit limited to 4 feet of table space or to no more than two exhibit boxes with glass covers. Exhibitor may show in this class regardless of number of times he or she has exhibited at State fair or whether exhibitor has entries in Classes: 1 - 4. Exhibitor may also exhibit in any of the lapidary classes.

Lapidary Classes:

Rules:

1. Lapidary Classes are judged on the following criteria:
   - Workmanship: 60 points
   - Presentation and Showmanship: 30 points
   - Accuracy of Information: 10 points
   - TOTAL: 100 points

2. An exhibit box smaller than the standard size may be used for the lapidary exhibits if appropriate.

3. Specimens should be arranged across the 18 inch dimension of the exhibit box (exhibit box will be 18 inches across the top and 12 inches deep)

Classes:

Class 6 - Lapidary: Display at least 30 gemstones and minerals that will cut or polish. Five of the specimen must be collected by the member from the native site (not limited to Kansas). Polish 15 of the gemstones by tumbling. Label, giving identification of material and county where collected, or state or county of origin for non-Kansas material.

Class 7 - Lapidary: Exhibit at least 6 gemstones and minerals that have received lapidary treatment. Lapidary treatment may consist of tumbling, polishing and end or face, or flat lapping. Specimens must represent at least 3 different cabochons of any shape or size. Three of the cabochons must be mounted. Label specimens as appropriate.

Class 8 - Lapidary: Exhibit at least 15 gemstones and minerals that have received lapidary treatment. Lapidary treatment may consist of tumbling, polishing and end of face, or flat lapping. Specimens must represent at least 5 different gem stones and minerals and include at least 5 different cabochons of any shape or size. Five of the cabochons must be mounted. Label specimens as appropriate.

Class 9 - Lapidary: Silver smithing. Display three or more handcrafted mounts. Each mount must contain a different variety of polished stone. Both mounts and stones must be made by the exhibitor.

Class 10 - Lapidary: Advanced project related to lapidary. May include special exhibit gemstones and mineral or unique lapidary treatments carvings, spheres, etc.). Exhibit limited to 4 feet of table space or to no more than two exhibit boxes with sliding glass or Plexiglas cover.

Goat Project Round Robin Qualification:
Dairy Goats and Meat Goats will each place overall showman based on the top 2 of each showmanship class. The top three from each of the overall showman classes will then complete in the Round Robin Selection class. If a showman is in the top 3 of both overall all showman classes, that showman shall pick which class they wish to represent in the Round Robin Selection class, and then the unselected class will be filled by the 4th place showman and so on until there are at total of 6 showmen in the Round Robin Selection class. The Round Robin Selection class will be placed in order from first to sixth and this will serve the selection process to select the showmen to participate in the Round Robin.

Showmanship Score Card
Appearance of animal: 40 points
-Condition and thriftiness, hair, hooves, neatly disbudded, clipping cleanliness
Appearance of exhibitor: 10 points
-Clothes and person neat and clean. White costume preferred
Showing animal in the ring: 50 points
-Leading: normal walk, clockwise direction, walking on left side holding collar with right hand.
-Pose and Show: animal is to be between the exhibitor and judge as much as possible.
-Show Animal to Best Advantage: Poise, alertness and courteous attitude; showmen should keep an eye on their animal and be aware of the position of the judge at all times.

Entries Accepted: Wednesday, July 13th, 9:00am
Horse Show & Judging: Thursday, July, 14th, 9:00am

Rules:
1) Requirements for participating in the Wyandotte County Fair horse events:
   i) Attend TWO of the following activities:
      (a) May Horse Project Meeting
      (b) June Horse Project Meeting
      (c) Wyandotte County Horseless Horse Clinic
      (d) Other clinics to be announced
   ii) Make stall reservations by July 1 of the current year with Barn Managers
   iii) Attend the July Horse Project Meeting, or, in event you cannot attend, you must call the Horse
        Project Leader and turn in your fair entries before July Meeting.
2) Open to all members enrolled in the horse project
3) Any corrections, additions, or deletions must be turned into the barn managers prior to the start of the day.
   Please note changes in age groupings.
4) A 4-H Horse Identification certificate must have been completed and turned into the Extension Office by
   May 1 of the current year.
5) Horseless Horse project members must have completed a Horseless Horse Identification certificate and
   turned it in at the Extension Office before June 1 of the current year.
6) All horses in the 4-H project must have a current negative Coggins test. These papers must be shown to the
   barn manager prior to unloading the horse. No exceptions will be made.
7) For Conformation Classes: only 4-Hers having more than one entry in the same class may have another
   Wyandotte County 4-H member assist with the second entry.
8) A horse may be shown in only one breed class in conformation.
9) All other Classes: will be limited to one entry per class as per the Kansas 4-H Horse Rule Book (S133, revised
    Aug. 2001)
10) Please refer to the Kansas 4-H Rule Book for all other rules governing the Wyandotte County Fair Horse
    Show.
11) Base date for figuring ages is January 1 of the current year.
12) Stallions are not eligible for competition.
13) All 4-H Horses will be washed at the wash rack located at the assigned area.
14) All horses must be on the fairground by 9 a.m., Wednesday.
15) All livestock will be released after the final livestock auction loadout has left the grounds the Saturday of the
    fair. Any request for early release must be presented to the 4-H Office in the 4-H Building. (However,
    awards may be forfeited).
16) Exercise hours will be listed on the schedule with ground rules to be posted on both barns.
17) Hay, grain, and bedding must be furnished by the owner.
18) A 4-H sign is required on the stall, to be furnished by the Extension Office.
19) 4-Hers must keep their stall clean throughout the fair and clean it thoroughly before leaving the fairgrounds
    at the close of the fair.
20) Horses may not be hauled in for an event unless the 4-H member has met all requirements for coming to the fair, and all stalls have been reserved.

21) Stall Decorating Contest (Pending): Judging for this contest will take place after 12 noon on Friday. Winners will be announced at the Livestock Auction on Friday night.

22) All 4-H members showing at the fair must have a Code of Conduct form, which has been signed by the 4-H member and parent or legal guardian. No exceptions will be made.

23) No one other than 4-H Horse Project members and their immediate family will be allowed to ride the horses stalled for the fair. If help is needed with a problem while handling, riding, clipping, etc., help should be obtained from another 4-H member.

24) All fitting and showing of any animal (in the horse project, this refers to Showmanship at Halter) must be done in part by the child with help only from family members or fellow current Wyandotte County 4-H members. There are to be no professionals involved. Any deviation from this rule may result in disqualification. The animal shown in fitting and showing class must be owned/leased and properly identified by the exhibitor by May 1st (excluding Horseless Horse).

25) A pre-entry is required for each horse. A 4-H member may enter as many classes as he/she would like to show in during the fair. If unsure, it is better to pre-enter in the class, and then scratch the day of the event. If a 4-H member is showing more than one horse in the conformation class (halter), pre-enter the animal and the person that will be showing the other animal for you. Except in Conformation, no more than one horse may be shown in any other class. Only age group classes will count towards Grand and Reserve Champion. You may also enter breed classes, but they do not count towards Grand and Reserve Champion.

26) After the check-in on Wednesday of fair week, no horses will be allowed to leave the fairgrounds during the Fair for any reason, other than an emergency, except those who are not assigned stalls. All horses must be removed by noon Sunday. Any horse leaving prior to check-out time will forfeit all premiums and placings earned during the fair. All stalls must be cleaned before leaving the fairgrounds, and the barn manager must approve the stall before you leave. Anyone checking out Sunday morning must notify the Barn Manager no later than 9:00 p.m. Saturday night. A $20.00 per stall deposit will be required for Saturday night stay. The amount of the deposit will be refunded in its entirety if stalls are properly cleaned. Either the Fair Superintendent or Project Leader will check the stalls after Noon on Sunday.

27) No horses will be allowed on black top areas, such as parking lots, walkways, etc.

28) Boots must be worn by 4-H members and adults when riding with a saddle, regardless of whether riding in the main arena, the practice pen, or adjacent areas. Boots must also be worn by 4-H members when working horses in the arena (e.g., lunging, or practicing showmanship).

29) Riding double, except during the costume class, is prohibited.

30) There shall be no running of horses except during the racing events or scheduled race practices.

31) Riding horses in the barns is prohibited. Horses must be led in and out of the barns.

32) Make sure there is plenty of water for your horses at all times. The 4-H exhibitor is responsible for supplying his/her own hay, grain, fans and stall cleaning equipment and for making sure that your horses are cared for.

33) The “No Smoking” signs will be strictly enforced.

34) Arena exercise will be done in the arena and practice pen. Adult supervision is required. Parents are responsible for supervising their own children. Unsupervised children may be asked to leave the arena and/or practice pen.

35) Parental supervision is required during the fair. Horse Board members, Barn Managers and other parents cannot be expected to watch children other than their own. Do not drop off your 4-H member for the day.
In case of inclement weather, any events that have to be canceled for the day will be rescheduled, and the make-up dates will be provided to all members who would have been eligible to show originally.

Questions regarding placings or rules of the show should be made by the contestant (4-H member) and should be referred to the show management. No contestant or parent is allowed to direct questions or complaints to the judge. If a problem exists, it will be presented to the appeals committee. This committee will consist of the show manager and two other agents or leaders. The appeals committee can confer with the judge; however, the judge’s decision is final.

All requirements and/or restrictions on class entries will be listed in the exhibitor’s handbook. Any questions regarding eligibility to enter a given class shall be directed to and resolved by the appeals committee.

All contestants and family members are expected to display proper conduct and politeness at all times. Unsportsmanlike conduct will not be tolerated and will result in forfeiture of all placings and premiums earned that day.

4-H Project Leader Gaylen Meriwether
Entries accepted: Sunday, July 10th, 11:00am-3:00pm
Conference Judging: Sunday, July, 10th, 3:00pm-5:00pm

Rules:

1) Open to all members enrolled in the photography project.
2) Entries will be according to class numbers. Superintendent reserves the right to re-classify, if necessary without notifying exhibitor.
3) Black and white and color photographic prints and videos may be exhibited.
4) There is no limit to the number of photos that can be exhibited per person.
5) Photographs entered must be the result of current year’s project work by the 4-H member.
6) Remove any white borders from the photo print before mounting.
7) All photos must be no larger than 8” x 10” and no smaller than 7” x 9”, after trimming.
8) Photos are to be mounted across the narrow (11”) dimension of an 11” x 12.5” sheet of white or cream studio matte board. Mount boards may be purchased from the Extension Office. (No foam boards or poster board)
9) Photos must be mounted with the top edge of the print 1” below the top of the narrow side of the mount. The sides of the print must be equal distance from the two sides of the mount.
10) A permanent mount must be made using photographic adhesive.
11) The Wyandotte County Fair 4-H Photography ID Form (available from the Extension Office or the county website) must be used and mounted correctly on the bottom front of the matte board. Illustration hand-outs available at the Extension Office or on-line at http://www.wyandotte.ksu.edu
12) No lettering, including dates, is permitted on the front of the mount or on the photo. Only the Wyandotte County Fair 4-H Photography ID Form is to have lettering on it. No underlay or borders are to be used.
13) To protect exhibits from dust, moisture and fingerprints, it is strongly recommended that photos be placed in the new plastic, protective sleeves. (Available at the Extension Office).
14) On the back of the mount write: exhibitor’s name, address, county and club name.
15) Photos entered in any class of the 4-H Photography Division at the Wyandotte County Fair may be selected for use in special contests or displays that may be offered at the Fair. Entry of a photo in the 4-H Photography Division grants permission of such use.
16) Improperly mounted photos, oversize or undersize photo, photos with white borders not removed or lettering (including dates) on the photo, will be awarded a ribbon one placing lower than the placing determined by the official judge.
17) Photographs taken with a digital camera and having no more adjustments than exposure, color intensity of correction, one click filter effects, red eye removal, cropping, dodging and burning should be entered in the standard color or black & white classes.
18) Digital composite image: Finished photo must be created from two or more original sources created by exhibitor. Photos will be judged on photographic merit as well as manipulation technique and process.
19) The black and white class is for black and white prints only. Monochromatic prints, including sepia prints are considered color photos and must be entered in the appropriate color photo class.
20) Photos with special effects are defined as: Anything that has been added to a basic photo by way of external filters (except polarizer or neutral density filters) or computer manipulation (does not include normal cropping enlargement, or color intensity treatment.) Photo must be an original taken by the exhibitor. Exhibitor must provide a (4x6) original photo, placed in an envelope, mounted on the back side of the photo studio mount.

Division 33 – Poultry
4-H Project Leader and Fair Superintendent: Kristi Priddy
Entries in place by Saturday, July 9th 8:00 am
Poultry Show Saturday July 9th, 9:00am
Cage reservations are to be made with project leader by Monday, June 27
Barn Set-Up will be Saturday, July 2nd

Rules:
1. Open to all 4-H Members in good standing in the poultry project.
2. Each exhibitor may make an unlimited number of entries per class if pen space is reserved.
3. All birds will have to be Pullorum tested prior to their being unloaded and put on display for fair. There will be a cost per bird for the test. A mandatory clinic will be scheduled. Owner must present evidence, such as a sales slip or name of hatchery (this must be an original form from the hatchery), that the entries were purchased from a pullorum-typhoid clean source with a valid NPIP number. The method can only be used within 90 days of hatch. This means that the only birds that will qualify under this method will be Cornish-Rock cross meat birds. Market broilers shown at the Kansas State Fair qualify under this method. Because almost all exhibition birds shown in a poultry show will be over 90 days of age, they will need to show proof of testing. Indicate name of source under column (2) of the testing form.
4. Pens will not be provided unless space is reserved.
5. A grand champion ribbon may be awarded.
6. Superintendents will check all birds. If a bird appears ill or injured, they will not allow the bird to be displayed. Owners are encouraged to work with their local veterinarian for injured or sick birds.
7. Unless otherwise indicated, all entries must be single birds.
8. Must own birds by May 1 of exhibit year, excluding broiler birds
9. The Grand Champion and Reserve Champion Meat Bird Pen of Three may be sold at the Livestock Auction. Livestock entries are limited to residents of Wyandotte County, unless the exhibiter is a member of a Wyandotte County 4-H club.

**Division 39 • Space Tech**

4-H Project Leader: KSRE Staff

**Entries Accepted:** Sunday, July 10, 3-5pm and Monday, July 11, 7:30-9am & 5-7pm

**Conference Judging:** Monday, July 11, 5-7pm

**Rules:**
1. Open to all members enrolled in the Space Tech project.
2. More than one exhibit may be entered in a class.
3. Each exhibit must have a 4-H fair entry tag.

**Rocketry:**

1. Rocket paperwork must be entered with each rocket, as follows:
   a. The “4-H Rocket Exhibit Information” form (available from the Extension Office), must be completed by the 4-H member and glued to the outside of a 10” x 13” manila envelope;
   b. The rocket plans (or a photocopy of the plans) must be placed inside the manila envelope;
   c. One to three photographs of the rocket at the launch site must be mounted on one side of an 8” x 11” sheet of paper and placed inside the manila envelope; photographs showing the rocket at the moment of ignition are preferred.
   d. Original design rockets must include a summary statement explaining how the rocket was tested for stability prior to flying; include this in the manila envelope.
2. Angles of rocket fins must fall with a plus or minus 2 degrees variation.
3. Rockets must be uniformly painted, smoothly finished, have decals applied smoothly, and be properly assembled and painted according to accompanying plans.
4. Rocket beginner kits with prefabricated plastic fin assemblies and pre-finished rockets requiring no painting are not acceptable, except in Class 1 by a first-year Aerospace member.
5. Engines and igniters shall not be exhibited with the rockets.
6. Exhibitors who exhibit a rocket using a size E or larger engine (Class 9) must provide their National Association of Rocketry (NAR) membership number on their 4-H Rocket Exhibit Information form.

7. All rockets and CO2 cars must have been fired at least one time before they can be exhibited.

**Astronomy:**

1. Telescopes may be kit or original design.

2. Telescopes should not be more than 2 feet long and must have a stand to support the telescope, but the stand must not be taller than the length of the telescope.

3. Telescope paperwork must be entered with each telescope, as follows:
   a. “4-H Astronomy Exhibit Information Form” which is glued to a 10” x 13” envelope.
   b. Plans (or a photocopy) for the telescope must be placed inside the envelope.
   c. One or more photographs of the telescope construction and operation is required. Photographs should be mounted on one side of an 8 1/2 “x 11” page.
   d. A short summary of when and where the telescope was used must also be in the envelope.
   e. For original design telescopes, describe in the summary how it was tested for accuracy.

2. The telescope must be properly assembled, uniformly painted, smoothly finished, and may have decals if they are applied smoothly.

3. Educational exhibits should be creative and must not be any larger than 24” wide by 28” tall. Glue the 4-H Astronomy Exhibit Information Form to the outside of a 10” x 13” envelope. In 100 words or less, describe your experience in the Astronomy project this year and place it in the envelope.

**Robotics:**

4. Each robot must be able to stand or sit freely by itself without additional supports. The robots dimensions must be no larger than 2 feet wide by 2 feet deep by 2 feet high.

5. Robotics paperwork must be entered with each robot, as follows:
   a. “4-H Robotics Exhibit Information Form,” which is available from the Extension office. This completed form must be attached onto the front of a 10” x 13” manila envelope.
   b. Plans (or a photocopy of the plans) for the robot’s construction and/or copies of the programming code if the robot is programmable.

6. All electronic components of the robot must be adequately covered or concealed with a protective enclosure. All robots must include an on/off switch for operation.

7. Robots that include weaponry for the purpose of causing physical harm to another robot will be disqualified.

8. The robot must be able to accomplish the goal the maker designed it for. Examples: Be able to vacuum the floor. Find the brightest spot in the room. Mimic life. Follow a line.

9. Creativity will be a strong criterion in judging the “Original Robot” classes. “Original Robot” may not be modifications of robot kits. However, these classes may include robots made from Legos Mind-storm Robotics parts, provided the plans and programming are the original work of the exhibitor.

10. Classes: 16 and 17 are designed to encourage teamwork among individuals and/or 4-H clubs to build a robot from initial design to finished project. Robots in these two classes must be original design, and not
merely modifications of existing kits. The age of the oldest member on the team will determine whether the robot will be entered in class 16 or 17; however, no member under age 10 will be able to exhibit at the Kansas State Fair.

**Space Tech Classes:**

- **Class 1 (x)** - Ages 7, 8 and 9: Kit Rocket
- **Class 2 (x)** - Ages 7, 8 and 9: Original Design Rocket
- **Class 3** - Ages 10 and 11: Kit Rocket

Round Robin Showmanship
Contest will be Thursday, July 14th at 7:00pm

Superintendents:
Christy Hardwick, Bill Cobb, Steve Mortell

Rules:
Please note, this is not a division in which 4-Hers can enroll or enter projects in. This is merely a fun competition for the top showman from livestock species to compete for a prize donated by the Wyandotte County Farm Bureau. No ribbons will be given; only the top three scores will receive a prize.

1. To qualify for Round Robin Showmanship, the following criteria must be met:
   a. In order for animals from the horse, beef, sheep, goat, and swine divisions to be represented in Round Robin Showmanship, there must be at least one showman from that species who is eligible and agrees to participate, and two animals in the species.
   b. Judges will select a champion and a reserve champion, and one through four alternates, in the overall showman competitions of each species. If the champion and/or reserve champion does not choose to participate, then the first alternate is eligible, and so on.
   c. Contestants must agree to provide, for Round Robin competition, the animal with which they placed in showmanship judging as well as any tools necessary for the show. (e.g., halters, brushes, whips, sticks, etc.)

2. Qualifying contestants must choose only one species category to represent in Round Robin Showmanship.

3. With the exception of the Horse Project, each contestant must declare which species they choose to participate under. They must report their decision to their Project Leader or Superintendent by 9:00am on the morning of the Round Robin Competition.

4. In competition, youth will start one species to the right of the species they qualified in and will finish with their own species.

5. Each species superintendent must be present and responsible for his species at the competition to make sure the correct animals are used. All species can be switched due to health/safety concerns for the animal and for the youth. Any substitution of animals for competition due to animals’ illness or injury will be made at the discretion of the species division superintendent.

6. Judges from each species category score individuals from that category on a scale of one to ten points (decimals are encouraged).

7. Placings will be determined by adding the individual’s scores from each species to get a total score. The contestant with the highest total score is awarded 1st place; the second highest score is awarded 2nd place; and the 3rd highest total score is awarded 3rd place.

8. In the event of a tie, prizes for first and second will be combined and divided between the two contestants.

9. The winner will be announced prior to the 4-H Livestock Sale.

10. On the day after presentation of winners, all scores may be picked up from the Round Robin superintendents after 9:00 a.m.
The rules and events set forth in this 2016 4-H Exhibitor Handbook will govern the 2016 Wyandotte County Fair. 
July 12th through July 16th, 2016
