

Dealing with Harmful Insects without Harming the Beneficials

PRESENTED BY DR. RYMOND CLOYD

Thursday
April 6

11:30 am
VIA ZOOM

Dr. Raymond Cloyd will teach us about managing the insects that can destroy our favorite plantings without harming the insects that are beneficial to gardens and crops.

K-State Research and Extension is committed to providing equal opportunity for participation in all programs, services and activities. Program information may be available in languages other than English. Reasonable accommodations for persons with disabilities, including alternative means for communication (e.g., Braille, large print, audio tape, and American Sign Language) may be requested by contacting the event contact (iJo Mlelamd) two weeks prior to the start of the event (913-299-9300 and jmcmaon). Requests received after this date will be honored when it is feasible to do so. Language access services, such as interpretation or translation of vital information will be provided free of charge to limited English proficient individuals upon request.
