**KANSAS 4-H EVENTS - YOUTH CODE OF CONDUCT**

As a participant in Kansas 4-H Events, you have the responsibility of representing Kansas 4-H programs to the public. You are expected to conduct yourself in a manner that will bring honor to you, your family and 4-H. To do that, you must:

1. Attend all sessions in the planned program. If you are unable to attend, please tell the adult in charge.
2. Follow hours and room rules established before the event begins. You are responsible to know the rules for each event.
3. Dress appropriately for each event. The adults in charge should have guidelines to help you.
4. Be responsible to know and use language and manners appropriate for Kansas 4-H.
5. Be in the assigned program area (for example cabins, barns, etc.) at all times.
6. Know that the use of tobacco, alcohol and non-prescribed drugs is illegal and prohibited at all 4-H events.
7. Model respect for other persons, facilities and vehicles. You will be personally responsible for any damage caused as a result of your behavior.
8. Help other members in your group have a pleasant experience by making every attempt to include all participants in activities. Know that harassment of any type is illegal and prohibited at all 4-H events.

**KANSAS STATE FAIR**

- **WyCo Entry Deadline is July 15 at 4:30 p.m.**

Contact 4-H staff at the WyCo Extension office for the form you must complete in order to enter an exhibit at Ks State Fair.

The Kansas State Fair begins on the first Friday following Labor Day in September and runs through the following weekend. It is held in Hutchinson, Kansas, and it takes approximately 3 – 3 ½ hours to drive there from Kansas City. Minimum age to exhibit at the Kansas State Fair, 4-H Division is 9 on January 1st of the current year. Except where otherwise noted, a non-livestock 4-H exhibit receiving a purple ribbon at this county fair is eligible to be entered at the Kansas State Fair. Non-Livestock exhibits will be taken to and picked up from the state fair by Extension Office staff. For Ks St Fair rules and regulations, see state fair exhibitor’s handbook:

[http://www.kansasstatefair.com./competitive/Exhibitor](http://www.kansasstatefair.com./competitive/Exhibitor)

Exhibitors interested in entering livestock at the Kansas State Fair can find the necessary information and form at the following website:

[https://www.asi.k-state.edu/students-and-programs/youth-programs/nominated-livestock/](https://www.asi.k-state.edu/students-and-programs/youth-programs/nominated-livestock/)
FAIR RULES & REGULATIONS

1. 4-H exhibits including livestock, horses and 4-H Exhibit Hall (Red Barn), will remain in place until 10 p.m. Saturday.
2. All 4-H livestock and horse stalls must be checked by a 4-H Barn or Division Superintendent or 4-H Project Leader for cleanliness before leaving Saturday at the conclusion of the 4-H exhibit being exhibited.
3. The Wyandotte County Fair Association, its officers, directors, and superintendents, cannot be responsible for any damage, loss, or injury to exhibitors, or other persons, exhibits or other properties while on the fairgrounds, whether loss or damage arises from an accident or any other cause.
   Under Kansas law, there is no liability for an injury to or the death of a participant in domestic animal activities. You are assuming the risk of participating in this domestic animal activity. K.S.A. 60-4001, et seq.
4. All cars and trucks admitted to the fairgrounds exhibit areas and barns must be removed to the parking field after loading and unloading.
5. Riding of horses, except in designated areas, and careless driving of wheeled vehicles is prohibited.
6. No dogs, cats or other pets, except those animals required for disability assistance, or those being exhibited, shall be allowed on the Fairgrounds.
7. Those animals allowed on the Fairgrounds must be properly restrained and must meet current health requirements. Any animal posing a threat to the safety and enjoyment of Fair guests will be removed.
8. Alcoholic beverages are not allowed to be brought in by exhibitors or fairgoers.
9. Beginning Oct. 1, 2018, Wyandotte 4-H County Fair and all Showcase events hosted by K-State Research and Extension, Wyandotte County Pre-Entries for events must be completed by assigned deadline as communicated through media including but not limited to: Wyandotte County 4-H Facebook, K-State Research Extension Website, 4-H Online Announcements, email, etc.
   1. Late 4-H entries will be allowed a grace period for one business week for a $25 fee per late entry.
   2. Late 4-H Division entry fees will be donated to a local scholarship line item within the 4-H Reimbursable account and to be used at current 4-H Youth and Development Extension Agent’s discretion.
   3. After one business week, no 4-H Division entries will be accepted. No exceptions.

Exhibits

1. The Wyandotte County 4-H Summer Showcase held during the Wyandotte County Fair is the official event 4-H members must exhibit at to be eligible for out-of-county, regional or state competition.
2. Returning WyCo 4-Hers are to be enrolled annually by Nov. 30 in order to be eligible to receive ribbon premiums and participate in the livestock auction as 4-Hers. Refer to Wyandotte County 4-H Re-Enrollment Policy on county extension website or Wyandotte County 4-H Facebook for complete details.
3. Exhibitors should check the 4-H Fair Handbook rules for pre-entry deadlines, times entries are to be submitted for exhibition and times exhibits will be judged.
4. 4-H requirements apply to all exhibits unless otherwise stated in division instructions.
5. 4-H exhibiting is open to all 4-H members currently enrolled in Wyandotte County 4-H.
6. The 4-H member must own the exhibit being entered in the fair, except in Horseless Horse, Round Robin, and the Farm Animal Management Program (FAMP).
7. The member must be enrolled in the project in which the exhibit is being made on or before May 1st of the current 4-H year. The Extension Office shall provide lists of enrolled members to each superintendent prior to exhibit check-in.

8. The project exhibit must have been made within the current 4-H year with the intention of it being for fulfilling the requirements of the 4-H project.

9. Parking Passes must be obtained from Community Club Leaders or at the June 4-H Council Meeting. Only club leaders may obtain entry tags from the Extension Office.

10. Only 4-H entries completed through FairEntry by June 14 will be accepted for 4-H Division exhibits. No tags will be allowed to be filled out at the county fair. Contact County 4-H Extension Staff if you need assistance with the FairEntry pre-entry system.

11. Each exhibitor is limited to one exhibit in each class, except where division rules state otherwise.

12. Some 4-H exhibit classes at county fair are not State Fair eligible; some are marked with (X) in this handbook.

13. Exhibits shall be entered in the correct division and class. Exhibits entered in the correct division, but in the wrong class shall have their ribbon placing lowered one place.

14. Beginning Oct. 1, 2018, Wyandotte 4-H County Fair and all Showcase events hosted by K-State Research and Extension, Wyandotte County events implement the following rules:
   
   1. An entry can only be shown in one division (i.e. a 4-H bucket calf entry could not be shown in the 4-H beef, 4-H dairy divisions or Open Division Classes, a 4-H rabbit entry cannot be entered in the 4-H pet division or Open Division Classes, or a 4-H arts and crafts exhibit could not be shown in the 4-H clothing area or in Open Division Classes). Families must select the most appropriate division and/or classes to enter and only enter the one division/class.
   
   2. Uncontrollable animals exhibited in 4-H Divisions may be asked to leave the Wyandotte County Fair at the discretion of the superintendents and may not be allowed to show or sell at the Livestock Premium Auction. It is strongly suggested that an adult be present when 4-Hers are handling livestock and horses.

Judges, Judging and Equal Application of the Danish Ribbon System:

1. Exhibits are judged against a set of standards for the type of exhibit. All exhibits, with the exception of livestock exhibits, will not be compared to each other and they are not ranked from best to worst. Standards from Kansas State University Research and Extension will be used to the extent that they are available.

2. Exhibits will be placed in purple, blue, red and white ribbon groups in accordance with the Danish system, except in the Rabbit Division (see Rabbit Division). Grand Champion and Reserve Champion ribbons will be awarded from those exhibits receiving a purple ribbon, unless, in the opinion of the class judge, there is no exhibit of Grand Champion and/or Reserve Champion quality; furthermore, no Reserve Champion ribbon can be awarded if a Grand Champion ribbon has not been awarded.

3. All judges will be provided with this explanation of the Danish Ribbon System prior to starting to judge the exhibits.

4. All exhibits will receive a ribbon, based on the Danish Ribbon System as follows:
   a. A purple-ribbon means the exhibit is outstanding on all standards. There are usually no flaws or only a few minor ones that only the trained eye would see. A purple-ribbon is excellent.
b. A blue-ribbon means the project exceeded minimum standards. It has smaller flaws but improvements can be made. A blue-ribbon is above average.

c. A red-ribbon means the exhibit has met all minimum standards. It shows an honest effort has been made. There are visible signs of needed improvement. A red-ribbon is average.

d. A white-ribbon means that for one reason or another, the exhibit did not meet all the minimum standards. This ribbon is probably the most misunderstood of all. It does not mean that the exhibit is not worthwhile.

e. All Cloverbud participants will receive a participation ribbon. There will be no premium.

5. 4-H members receiving trophies or other prizes sponsored by companies and individuals are reminded to promptly send thank you cards to the sponsors of their award. If you are unsure of the sponsor, please check with your superintendent or project leader.

6. Conference judging shall be available for all divisions exhibited in the 4-H Exhibit Hall (Red Barn) unless otherwise noted, and superintendents shall provide notice to the exhibitors about when the judging will take place. If the number of exhibits in a division creates a time problem, then the superintendents may limit the number of items to be conference judged by one exhibitor, provided that the limitations set are applied equally to all exhibitors in the division.

7. The decisions of the judges are final and no appeal will be considered.

8. Judges shall not be related to or have conducted any business for financial or personal gain with any Wyandotte County 4-H member, or 4-H family members, exhibiting in the division being judged. “Related to” is defined as parent, sibling, grandparent, aunt, uncle, cousin within the first degree, and/or legal guardian. Judges shall not be agents or paid staff of the Wyandotte County Extension Office. Exceptions may be made in case of an extreme emergency.

9. Judges shall be qualified to judge in their respective divisions.

10. Judges will be compensated for their actual time and mileage at one trip per day.

11. Attempts shall be made to change judges in a division from year to year.

**Exhibitor Ribbon Premiums:**

4-H premiums will be passed out to 4-H Community Club Leaders who are Extension Board Appointed volunteers at the August 4-H Council Meeting. 4-H members must pick up their fair premiums from their Club Leader by regularly scheduled December 4-H Community Club meeting of the current year. If unable to do so, arrangements must be made with the Club Leader. **If a 4-H member does not pick up fair premium funds by December 1, the premiums will be donated to the member’s community club.**

Ribbons Only: Scrapbooks, Mini 4-H Exhibits
Requirements for Exhibiting Livestock at the WyCo 4-H Summer Showcase

Please refer to the Project Leader, County Extension Website or Wyandotte County 4-H Facebook page for specific dates of weigh-ins and tagging.

1. All youth who plan to exhibit livestock during the 4-H Summer Showcase held during the Wyandotte County Fair must have completed their Youth for the Quality Care of Animals certification through an in-person or online course by May 1 annually.

2. All animals are subject to examination by the exhibition staff or their representatives and shall be free of clinical signs of infections or contagious disease. While no health certificate is required, local veterinarians will be present, as coordinated by the Wyandotte County Fair Association, to inspect all animals to see that there is no evidence of a contagious or infectious disease. The animals will be inspected at the time of unloading or shortly thereafter. The veterinarian’s decision will be final. Owners are encouraged to work with their own veterinarians for injured or sick animals. No animals with warts will be allowed.

3. All market livestock to be exhibited at the county fair or sold at the livestock sale must attend a scheduled spring weigh-in/tagging date as communicated by Project Leader, published on the County Extension website or Wyandotte County 4-H Facebook page.

4. Chickens that will be sold in the livestock sale must have a negative pullorum test before the county fair; Pullorum testing dates completed by 4-H Project will be posted in 4-H Newsletter

5. Livestock entries must be in place by 8:00 a.m. on Tuesday, the week of the fair.

6. No bedding will be allowed outside the livestock barn except in designated areas.

7. The 4-H member must do all fitting and showing of livestock, with help only from relatives and current Wyandotte County 4-H members. “Relatives” are defined as; parent, sibling, grandparent, aunt, uncle, cousin within the first degree, and/or legal guardian. 4-H Livestock Advisory Committee members are encouraged to give guidance with the fitting of livestock. No professionals may be involved. Any deviation from this may result in disqualification.

8. The exhibitor must own the animals shown in Showmanship classes, except in the Horseless Horse, Farm Animal Management Program (FAMP), and Round Robin classes.

9. 4-H livestock market animals weighed-in and tagged with the official Kansas 4-H Logo ear tag cannot be shown in the breeding classes.

10. Market livestock will be weighed only one time for official fair weight. A 4-H member may request a reweigh of his/her market animal at the time of the first weigh-in; the animal will be taken off the scale, the scale will be balanced and the animal will be immediately reweighed.

11. All fans shall be properly and securely mounted on a fan stand or hung from permanent parts of the building structure, and electrical cords shall be placed in such a manner that horses and livestock are unable to chew them, or otherwise create a dangerous situation.

12. Any 4-H/FFA member that has previously shown in a 4-H/FFA class at a county fair in the current year is only eligible for open class exhibition.

13. The Farm Animal Management Project (FAMP) is a Wyandotte County 4-H Project only. There is no State Fair equivalent. All animals’ species will allow for the inclusion of a 4-H member who is enrolled in self-determined FAMP and the animal species. The 4-H member may be allowed to show an animal that is not owned by the 4-H member to gain knowledge of the species but is not allowed to sell the animal in the auction.

14. Animals used for showmanship must be owned by the exhibitor and entered in a market or breeding class.
**Livestock Auction**

1. Returning WyCo 4-Hers are to be enrolled annually by Nov. 30 in order to be eligible to receive ribbon premiums and participate in the livestock auction as 4-Hers. Refer to Wyandotte County 4-H Re-Enrollment Policy on county extension website or Wyandotte County 4-H Facebook for complete details.
2. The Livestock Auction will be held at 7:00 p.m. on the last Friday of the fair.
3. A limit of 2 animals per 4-H member may be sold at the auction.
4. Any animal judged not ready for processing, not carrying a sufficient amount of finish, will NOT be sold in the Livestock Sale. White ribbon animals will be considered as not ready for processing.
5. Minimum weights for animals to be sold in the Livestock Sale are Beef: 900 pounds; Market Hogs: 190 pounds; Market Lambs: 90 pounds; Meat Goats: 40 pounds. If an animal does not make minimum weight requirement and a minimum rate of gain, it cannot be shown in Market class but can be shown in Showmanship and Prospect classes.
6. The livestock auction will be a premium auction.
7. A floor price will be established on each animal, which is the minimum price guarantee.
8. Steers, sheep and hogs sold at the Livestock Auction are subject to the Kansas Livestock Check-off Laws. $1.00 per steer, $0.25 per lamb and 40% of the floor price on hogs will be withheld and sent in to comply with the law.
9. Two (2%) of the proceeds from the 4-H Livestock Sale will be set aside and deposited in a fund to help pay for the 4-H Livestock Buyers Dinner.
10. Five dollars ($5.00), per head sold in the auction, will be withheld and deposited into the Wyandotte County 4-H Livestock Committee account to pay for all documents and mailings necessary for the livestock projects in 4-H.
11. 4-H members who wish to sell livestock in the auction must complete the “Intent to Sell at the Livestock Sale” and “Residue Avoidance Program” forms and submit to their superintendent or project leader by Thursday at 8:00 a.m.
12. 4-H members may pick up their sale premium check from the Wyandotte County Fair Association on or after August 29th provided their livestock buyers have paid. Checks to 4-H members cannot be written until funds are received to cover the 4-Her’s check.
13. Any questions regarding the Livestock Auction can be directed towards the Wyandotte County Fair Association or the Wyandotte County 4-H Livestock Projects Committee, which is comprised of the current 4-H livestock project, Registered Extension Board Appointed Leaders.

**Requests for Rule Variance**

1. **Beginning Oct. 1, 2018, 4-H Rule Variances for the Wyandotte County Fair and all Showcase events hosted by K-State Research and Extension, Wyandotte County events will not be allowed for:**
   - Late 4-H enrollment on 4-H Online Enrollment system after established May 1 deadline annually. No exceptions.
   - 4-H project changes on the 4-H Online Enrollment system after established May 1 deadline annually. No exceptions.
   - Turning in Identification Paperwork for a livestock animal of any kind, or horse after established May 1 deadline annually. No exceptions.
• Not attending a mandatory scheduled market livestock weigh-in or tagging event, poultry Pullorum testing or rabbit tattooing event, to participate at Wyandotte County Fair or other K-State Research and Extension hosted showcase events. No exceptions.
• Late 4-H Division entries for the Wyandotte County Fair or other K-State Research and Extension Wyandotte County hosted showcase event entries after grace period. No exceptions.
• Death of animal or replacement animals, to be shown in 4-H Divisions showcased at Wyandotte County Fair or any other K-State Research and Extension Wyandotte County hosted showcase event. No exceptions.
• Transfer of ownership of animals of any kind to be shown in 4-H Divisions showcased at Wyandotte County Fair or any other K-State Research and Extension Wyandotte County hosted showcase event. No exceptions.

4-H members who believe they have a legitimate need to deviate from any rule should file a “Request for Rule Variance” form with the Wyandotte County Extension Office. The Request for Rule Variance needs to be filed within a reasonable time to allow the Grievance Board to meet and make a decision on the request.

Interpretation of 4-H Rules and Grievance Procedure

1. The Wyandotte County Extension Board makes all rules and regulations concerning the 4-H program and Divisions during the Fair and reserves the final and absolute right to interpret these rules and regulations.
2. The 4-H divisions of the Fair are subject to rules established by Kansas State University Research & Extension, as summarized in this section of the 4-H Fair Book.
3. The Extension office provides a Grievance Board to address 4-H issues. Questions should first be addressed to the superintendent of the division in which the exhibit is entered. Any 4-H member or his/her parent wanting to file a protest on the qualifications or eligibility of any competing person, animal or object submitted for competition and showing in any 4-H class or event at the Wyandotte County Fair must comply with the following procedure:
   a. The protest must be in writing, using the official form available from the 4-H division superintendent or the Extension Office.
   b. The written protest must be submitted to the superintendent of the division in which the protested exhibit is made or to the Extension Office if the protest concerns the eligibility of a 4-H member to compete in a 4-H division of the fair.
   c. The written protest must be submitted within 24 hours following the incident giving rise to the protest. The written protest will be handled by persons designated by the Executive Board of the Wyandotte County Extension Council, and its decision shall be final. If, however, the Grievance Board determines that the nature of the protest is not 4-H related, then the person filing the protest will have the option of taking his/her protest to the Wyandotte County Fair Board. In considering the grievance, the Grievance Board shall meet as a group. The persons involved in the grievance may speak at the Grievance Board’s meeting if they choose or if the Grievance Board requests more information. However, only Grievance Board members may be present while discussing and making the final decision on the grievance.
   d. Request for Rule Variance and for Incident Report forms are available at the Extension Office or during fair, at the 4-H office in the exhibit building.

1. A fair entry tag is needed for each exhibit and must be attached to the item.
2. A member may enter more than one exhibit in each class.
3. Only three items will be allowed for conference judging.
4. When articles that are normally worn as a pair are exhibited, both articles must be shown together. Fasten articles together securely with yarn.
5. Special consideration will be given to articles that are of the original design. Such articles should have a note attached explaining the original design.
6. The exhibitor may attach an index card, no larger than 3” x 5”, with the entry form to give the judge any information which the exhibitor thinks would be helpful for the judge to know. Examples:
   i. Explain whether you created the fabric for a knitted article by hand or by a knitting machine.
   ii. Explain if the exhibit contains any recycled materials, or is made of at least 90% wool.
7. Exhibitors must be enrolled in the specific Fiber Arts Project for the Class in which they are exhibiting. When the exhibit is a sewed garment that also includes one or more Fiber Art techniques (i.e. knitting, crochet, needle arts, or patchwork and quilting), the determination of what division (Clothing or Fiber Arts) and class in which to enter will be left to the 4-H participant. However, the exhibit cannot be entered in more than one division.
8. There are no age-specific classes in Fiber Arts. The judges will consider the exhibitor’s age and years in the project.
9. 4-H members ages 9 and older (as of January 1st of the current year) who receive a purple ribbon at the county fair will be eligible to exhibit that item at the Kansas State Fair, in accordance with state fair rules.
10. All exhibits designed to hang must have the appropriate hanger, rod, wire or other mechanism attached in order to be properly displayed.

Fair Superintendent: Christy Hardwick (816) 590-7769

Weigh-in: Tuesday, July 7, 8:30 a.m.
Beef Show: Wednesday, July 8, 9:00 a.m.

Stall Reservations need to be made with entries through FairEntry by June 14

Rules:

1. All steers entered must be born after January 1 of the previous year.
2. All steers must have been weighed on the Wyandotte County Fairgrounds scales and tagged with the official Kansas 4-H Logo ear tag in the spring.
3. Steers must show an average daily gain of at least 1.0 pound to sell in the Livestock Auction. When weighing in at the fair, average daily gain is calculated computed from the spring weigh-in date.
4. All steers will be mouthed. A steer’s baby teeth must be present and no evidence of permanent teeth erupting at fair weigh-in time.
5. Animal’s ear tag number must be on the entry tag before coming into the show arena.
6. 4-H members who wish to sell in the Livestock Auction must complete the “Intent to Sell” and “Residue Avoidance Program” forms and submit by Thursday, July 9 at 8:00 a.m. Forms are available from the superintendent or project leader.
7. Beef heifer Identification Form must have been completed and turned in at the Extension Office by May 1 of the current year. Forms can be found at http://www.wyandotte.k-state.edu/4-h/4-hfair/4hfair.html
8. Beef heifers and beef cows must be fed and managed 140 days prior to the showing at the Fair.
9. Each exhibitor may make two entries per class.
10. Breeds will be judged individually. If the number of entries in any breed class is too large to be accommodated efficiently in the show ring, the class will be divided into two or more classes. Breaks will be based on live weight for market steers, animal D.O.B. for heifer classes, and by exhibitor D.O.B for showmanship.
11. For Division 5: Showmanship, Class 5(x) see information listed in general livestock rules
12. Animals used for showmanship must be owned by the exhibitor and entered in a market or breeding class.

Division 10 • Clothing & Textiles - Clothing Buymanship • 4-H Building Exhibits

4-H Project Leader: KSRE Staff

Clothing & Textile Clothing Buymanship Consultation Judging: Monday, July 6 from 1-4 p.m. at Bonner Springs United Methodist Church, Bonner Springs, KS

Entries due at the fairgrounds Monday, July 6, from 5:00 p.m.-7:00 p.m.

Pre-Registration Due via Fair Entry e-system by June 14th

Rules:

1. Any 4-H member enrolled in Clothing & Textiles for the current 4-H year may enter this division.

2. For Fair premiums to be paid to exhibitors who participate in Clothing & Textiles – Buymanship, members must exhibit their clothing entries throughout in the 4-H Exhibits Building (Red Barn) at the fairgrounds. Bring entries with tags to the 4-H Exhibit Building (Red Barn) on Monday, July 6, 5-7pm.

3. Single Outfit Display is an outfit, such as a dress; a skirt and blouse; slacks, trousers or jeans and a blouse or shirt; a pair of shorts and a blouse or shirt; a skirt or slacks, blouse, and jacket; trousers, shirt and sport jacket; suit, shirt and necktie; etc. Each outfit shall also have displayed with its appropriate hosiery and shoes. The complete outfit must have been selected by the 4-H member and purchased during the current 4-H year or made for the 4-H member from a pattern and fabric selected by the 4-H member during the current 4-H year for the purpose of the Clothing & Textiles project. Accessories such as hats, gloves and/or jewelry may also be displayed with the outfit.

4. Wardrobe Building Display - At least 6 items in the entry must have been selected by the 4-H member and purchased during the current 4-H year or made for the 4-H member from a pattern and fabric selected by the 4-H member during the current 4-H year or any combination of purchased and constructed items — for the purpose of the project. The 6 items must coordinate, such that the pieces can be mixed and matched, even though they may not all be worn at the same time. Example: a skirt, a pair of slacks, 2 blouses, a vest and a jacket, any of which may be worn with any of the other items. Accessories such as hats, gloves and/or jewelry may also be displayed with the outfit.

5. Sports team or cheerleading uniforms will not be allowed in this division, because these items are selected by the team coaches or school officials and are purchased for purposes other than fulfilling the requirements of the Clothing & Textiles project.

6. The display may not include background decorations or any items not part of the clothing ensemble worn by the 4-H member.

7. Mannequins will be provided if the 4-H member wishes to display the clothing items in this manner rather than on a hanger.

8. Garments may have been worn but should be laundered and pressed before entry.

9. The exhibit shall also include the totally completed entry form available from the clothing superintendent, style revue description, and a photo of the 4-H member wearing the complete outfit attached to the entry form. In the Wardrobe Display classes, photos of the 4-H member wearing the items in at least 3 combinations will be required.

10. There is no limit on the number of entries the 4-H member may make in the Single Outfit class; however, each member may make only one entry in the Wardrobe Display class.

11. There is no State Fair entry class for Clothing Buymanship exhibits.

Division 12 • Clothing & Textiles -- Style Revue • 4-H Building Exhibits

4-H Project Leader: KSRE Staff
Clothing & Textile Clothing Buymanship Consultation Judging: Monday, July 6 from 1-4 p.m. at Bonner Springs United Methodist Church, Bonner Springs, KS
Entries due at the fairgrounds Monday, July 6, from 5:00 p.m.-7:00 p.m.
Pre-Registration via Fair Entry e-system Due June 14th

Rules:

1. The constructed garment or outfit, or the purchased single outfit worn in the Style Revue must have been constructed or purchased during the current 4-H year by the 4-H member enrolled in Clothing & Textiles for the purpose of fulfilling the goals of the project. If the garment constructed by the 4-H member is a single piece, such as a skirt, slacks or blouse, then the remainder of the outfit may be purchased or made by someone else. However, if the entry is a single outfit from Clothing Buymanship, then the entire outfit must have been selected by the 4-H member and purchased during the current 4-H year - or made for the 4-H member from a pattern and fabric selected by the 4-H member during the current 4-H year.

2. Sport team or cheerleading uniforms will not be allowed in this division, because these items are selected by the team coaches and are purchased for purposes other than fulfilling the requirements of the Clothing & Textiles project.

3. Definitions of garment, outfit, single outfit and wardrobe building display are the same for this division as for divisions 8 and 9. Wearable items knit or crocheted by the 4-H member during the current 4-H year are also acceptable entries as a garment constructed by the 4-H member in this division.

4. Only 4-H members may model, unless the 4-H member constructed the item of clothing to be worn by someone else; in that case, the person for whom it was constructed may model the constructed item as long as the 4-H member appears on stage with the model.

5. Each 4-H member enrolled in Clothing & Textiles may enter up to 6 Classes: in the Style Revue, provided that the items selected are also exhibited in Clothing Buymanship or Clothing Construction during the county fair. Items exhibited in Clothing Buymanship as part of the Wardrobe Building Display may be entered in this division, but should be entered as separate outfits - clothing on hangers may not be carried by the 4-H member while being judged. Example: if the Wardrobe Building Display consists of a skirt, a pair of pants, 2 blouses, a vest and a jacket, the 4-H member may want to model the skirt with one of the blouses, the vest and the jacket as one entry in this division, and the pants, the other blouse, the vest and the jacket as another entry in this division; any combination of items from the Wardrobe Building Display would be entered in this division as a single outfit purchased by the 4-H member.

6. All required paperwork must be submitted to the Superintendent prior to the start of the Style Revue judging. Contact the Superintendent or the Extension Office to obtain these forms.

7. Boys and girls will not be judged separately; however, the judges will select the top girl and the top boy eligible to attend the State Fair Style Revue.

8. A grand champion may be selected in each level from those entries receiving a purple ribbon, if the judge deems the entry to be of championship quality.

   b. Equipment available at the time of judging for testing of the project
6. Entries will be divided into three divisions:
   a. Jr. Division- 7-9 years old as of January 1 of the current year.
   b. Intermediate Division- 10-13 as of January 1 of the current year.
   c. Sr. Division- 14 and Over as of January 1 of the current year.
7. Conference judging will be arranged only by appointment. No parents or adults will participate with the 4-H member and judge in the conference judging. A grand and reserve champion may be awarded at each level.
8. Any project that does not fit the criteria of the seven listed categories will require advance contact with the superintendent regarding entry. Special arrangements may need to be made to allow for judging some entries.

Classes:
Class 1 - Household wiring and Indoor Lighting: Includes original, kit, or restoration of projects such as lamps, small appliances or other items intended for household use.
Class 2 - Outdoor Wiring and Shop Lighting: Includes original, kit or restoration of extension cords or trouble lights.
Class 3 - AC Demonstration Projects: Includes projects that are AC in nature such as household wiring demonstration of switches or outlets, entrance panels or other AC demonstrations projects.
Class 4 - DC Demonstration Projects: Includes projects that are DC battery operated such as series/parallel lighting, motor household bell or other types of projects.
Class 5 - Motors, Fans, Heaters, or Blowers: Includes original, kit or restoration which utilizes an AC or DC motor, fan heater or blower.
Class 6 - Electronic Project Kits: For electric projects built from kits. Examples include radios, telephones, toy robots, etc. Include instruction/assembly manual.
Class 7 - Electronic Project Non-Kits: For electric projects from materials not supplied as a kit. May be constructed using a printed circuit board, wire wrap, or breadboard techniques.
Division 19 • Entomology • 4-H Building Exhibits

4-H Project Leader: KSRE Staff

Entries Accepted: Sunday, July 5, 3:00-5:00 p.m. and Monday, July 6, 7:30 a.m.-9:00 a.m. & 5:00-7:00 p.m.

Conference Judging: Monday, July 6, 5-7:00 p.m.

Rules:

1. Open to all 4-H members enrolled in the Entomology Project.
2. Refer to the 4-H publication 4-H 829 and Insects in Kansas (revised in 2000) available through the Extension Office. This publication lists the collection classes and the new educational classes.
3. All entries are to be placed in glass or Plexiglass covered wooden boxes with outside measurements of 18” x 24” x 3 1/2”. (Plexiglass is required for state fair)
4. One label goes on the upper left-hand corner of the box (inside) and the other on the lower right corner of the box (outside)
5. Arrange specimens in the box so it can be displayed lengthwise.
6. Educational displays/exhibits are to be exhibited in one standard size insect box and identified by the use of an identification label. The label includes the exhibitor’s name, county or district, or class. Educational Classes: are limited to one standard box, a maximum of 150 specimens, and work performed during the current year. The title of the exhibit should be indicated inside the box.

Classes:

Class 1 - **Introductory Entomology**: For ages 7-9. Collection: 6 orders, 15 to 30 specimens. Specimens should be grouped according to order. Order labels should be pinned to the bottom of the box, with dates and county collected and common name. These collections are to be exhibited in small cardboard or plastic boxes (1 or 2 boxes with a total display area no more than 130 square inches). Boxes can be homemade by placing a layer of polystyrene foam in the bottom of a shoebox, school box, or storage container or can be purchased from a biological supply company. For the exhibit, the boxes should be covered with a piece of plastic wrap or acrylic glass taped across the top of the box.

Class 2 - **Beginning Entomology I**: Collection: Display in one standard box a minimum of 50 and a maximum of 125 species representing at least seven orders. Specimens should be grouped according to order. Order labels should be pinned to the base of the box. Members can exhibit in this class a maximum of 3 years, or until they receive a purple ribbon at the Wyandotte County Fair, whichever comes first.

Class 3 - **Beginning Entomology I: Educational**

Class 4 - **Beginning Entomology II: Collection**: Display a minimum of 75 and a maximum of 150 species representing at least 9 orders. Two standard boxes can be used. Specimens should be grouped according to order. Members can exhibit in this class for a maximum of 3 years or until they receive a purple ribbon at the Wyandotte County Fair.

Class 5 - **Beginning Entomology II: Educational**

Class 6 - Intermediate Entomology: Display a minimum a 100 and a maximum of 300 species representing at least 10 orders. Two standard boxes may be used. Family identification Buddleia for all insects in any two of the following six orders: Orthoptera, Hemiptera, Homoptera, Coleoptera, Diptera, and
Hymenoptera. Members may continue to exhibit in this class a maximum of 3 years or until a purple ribbon is received.

Class 7 - Intermediate Entomology: Educational

Class 8- Advanced Entomology Collection: Display a minimum of 150 and a maximum of 450 species representing at least 12 orders. Three standard boxes can be used. Group specimens according to order and family. Family identification is required for all specimens. Butterflies should be labeled by their common name. Members may continue to exhibit in this class for an unrestricted number of years as long as they remain eligible for 4-H membership.

Class 9- Advanced Entomology: Educational
Division 20 • Foods & Nutrition, All Levels • 4-H Building Exhibits

4-H Project Leader: KSRE Staff

Entry: Monday, July 6, 7:30-9:00 a.m.
Conference Judging Monday, July 6, 9:00 a.m.

Rules:

1. Open to all members enrolled in the Foods Project.

Cream cheese) raw eggs, flavored oils, “canned” bread or cakes in a jar, cut fresh fruit or any food requiring refrigeration (ex. bacon) or unbaked exhibit with raw flour (ex. No-bake cookies) will be disqualified and not judged. Refer to K-State Research and Extension publication, 4-H888, Judge’s Guide for Food and Nutrition Exhibits for information to help you make informed, safe food exhibit decisions.
3. Alcohol (ex. Wine, beer and hard liquor) is not allowed as an ingredient in food entries. Entries with alcohol in the recipe will be disqualified and not be judged.
4. Become familiar with the food safety guidelines fact sheet regarding foods that are considered safe to exhibit and foods that are not acceptable (such as alcohol in foods, friendship bread, etc.). Contact the Extension Office if you have questions. For more information refer to the K-State Research & Extension publication 4-H 712 Food Safety Recommendations for Acceptable Fair Exhibits.
5. There will be four age divisions as of Jan. 1 of the current year
   a. Level I- Ages 7-8
   b. Level II- Ages 9-11
   c. Level III- Ages 12-14
   d. Level IV- Ages 15+
6. Grand Champion and reserve champion may be selected at each level.
7. (X) Indicates NO exhibit at the State Fair. If you exhibit at the State Fair (age 9 years and older by Jan. 1 of the current year) you may enter one non-perishable food item.
8. No mix or frozen products. No shortcut recipes allowed at State Fair.
9. All food items will arrive on the same day.
10. Conference judging is optional. If you choose to have an interview or conference with the judge as your entry is evaluated, you’ll select an appointment number when you enter the product.
11. All food items are to be made from your own recipe.
12. Recipes and hard copies of entry tags are required for all food products entered.
13. You need three (3) items when exhibiting cookies, bar cookies cut 2” x 3”, cupcakes, muffins, etc., and they must be the same kind and shape.
14. Remove baked products from pans, including disposable pans, and place on 6”-7” PAPER PLATES or Styrofoam plates or on cardboard cut 1/2” larger than product and covered with foil.
15. Each exhibit must be wrapped in a clean plastic bag.
16. A very thin layer of oil on the plastic bag may keep the icing from sticking.
17. Layer cakes must be two or more layers.
18. ALL unfrosted cakes shall be exhibited in an upright position with the top crust showing.
19. The entire product must be entered for judging; a representative sample of the food product will be left on display.
20. The remaining product can be taken by the exhibitor after judging.
21. You may bring your product in a carrier to be judged, but you must bring a plastic bag or wrapping for the product to be left in. Products cannot remain in any kind of carrier, including disposable ones.
22. Nonperishable food (i.e. not refrigerated foods) is a food product that is safe to eat without refrigeration.

Entries: A member may exhibit an unlimited number of entries in each class in the appropriate age level(s) the 4-Her is enrolled in.

Educational Exhibit: Can be a poster 22”x 28”, notebook or other display showing and describing something learned, a project activity done, a food nutrition community service program, etc. Should relate to things done in the project in which the member is enrolled.

Modified Recipes: The use of low fat or modified recipes is encouraged. If you have modified a recipe, be sure to include the original recipe, as well as how you modified it.

Dried Foods: Dried foods are to be exhibited in the Food Preservation Division.

Some examples for Level I: cookies, bar cookies, snack mix, muffins, cupcakes, etc.)
Class 1 (x) – Level I Non-perishable food product from the 4-H Foods and Nutrition Curriculum or similar Recipe.
Class 2 (x) – Level I - Shortcut Recipes (recipes using cake mixes, Bisquick, etc.)
Class 3 (x) – Level I- Educational Exhibit

Division 24 • Geology • 4-H Building Exhibits

4-H Project Leader: Angie Larson (913)-927-2315, angielarson47@gmail.com

Entries Accepted: Sunday, July 5, 3:00-5:00 p.m. and
Monday, July 6, 7:30 a.m.-9:00 a.m. & 5:00-7:00 p.m.
Conference Judging: Monday, July 6, 5:00-7:00 p.m.

Rules:

1. Open to all members enrolled in the Geology Project.
2. The standard size exhibit box should be 18 x 24 x 3 1/2 inches.
3. All specimens are to be arranged across the narrow (18”) dimension of the exhibit box, making the exhibit 18 inches wide and 24 inches deep.
4. If a box has a sliding glass or Plexiglas cover, it must be removable from the top. Screws, locks or other devices that would prevent the judge from removing the glass cover should not be used. Plexiglass preferred.
5. Each exhibitor is required to identify each display box by placing an identification label bearing the name, county, and the number of specimens in the upper left-hand corner of the box (inside), and by attaching a label with name, county, and number of specimens to the back of the box (outside). The inside label is to also indicate the class number.
6. Exhibitor may enter in both geology and lapidary classes. Exhibitors may only show in one of the first four classes in geology. Exhibitors may also show in geology Class 5 (special exhibit) and in one or more of the lapidary classes.
7. Geology specimens should be labeled with the number of specimens, date collected, specimen name or description, and locality (county) where collected, of the specimen.
8. For geology classes, specimens should be mounted in the box by proper groups: rocks, minerals or fossils.
9. For geology classes, all specimens must be collected from locations in Kansas. Out of state specimens will not count in the minimum number for the class, nor will they be considered in the judging.

Classes:

Class 1 – **Geology Display I**: Display at least 15 different rocks, minerals or fossils collected during the current 4-H year. Limited to one exhibit box 18 x 24 x 3 1/2 inches with glass or Plexiglas cover. Only those exhibiting at the county fair for the first time may enter this class. For 4-Hers seven and over as of Jan. 1, fossils must be identified to the phylum level.

Class 2 - **Geology Display II**: At least 30 different rocks, minerals or fossils (at least five of each) with 12 collected during the current 4-H year. Limited to one exhibit box 18 x 24 x 3 1/2 inches with glass or plexiglass cover. Only those exhibiting at county or state fair for the first or second time may enter this class. For 4-Hers ten and over as of Jan. 1, fossils must be identified to the phylum level.

Class 3 – **Geology Display III**: At least 45 different rocks, minerals or fossils (at least five of each). More than one specimen of the same kind of rock or mineral or species of a fossil may be exhibited if this duplication represents different geological formations. Specimen labels must show this distinction. (Fort Hays limestone not just limestone; exact species must have different formation names listed on the I.D. card; Compostia Brachiopoda from Morrill Limestone not just Brachiopoda or Compostia Brachiopoda). Limited to two exhibit boxes 18 x 24 x 3 1/2 inches with glass or Plexiglas cover. The
exhibit must include 15 specimens of current years’ work. Only those exhibiting at the state fair for the third or fourth time may enter this class. Fossils must be identified to the phylum level and rocks must be identified by their proper name and type.

Class 4 – **Geology Display IV**: at least 60 different rocks, minerals or fossils (at least five of each). More than one specimen of the same kind of rock or mineral or species of a fossil may be exhibited if this duplication represents different geological formations. Specimen labels must show this distinction. (Fort Hays limestone not just limestone; exact species must have different formation names listed on the I.D. card; Compostia Brachiopoda from Morrill Limestone not just Brachiopoda or Compostia Brachiopoda). Limited to two exhibit boxes 18 x 24 x 3 1/2 inches with glass or Plexiglas cover. The exhibit must include 15 specimens of current years’ work. Only those exhibiting at the state fair for the fifth time or more may enter this class. Fossils must be identified to the phylum level and class if possible, and rocks must be identified by their proper name and type.

Class 5 – **Geology Special Exhibit**: Relating geology to everyday living; or to a mineral test, a rock formation, geological history, species of a fossil, forms or one mineral, a variation of one kind of rock, archeological artifacts, or Indian artifacts. Exhibit limited to 4 feet of table space or to no more than two exhibit boxes with glass covers. Exhibitors may show in this class regardless of the number of times he or she has exhibited at State fair or whether exhibitor has entries in Classes: 1 - 4. Exhibitors may also exhibit in any of the lapidary classes.

**Lapidary Classes:**

**Rules:**

1. Lapidary Classes are judged on the following criteria:
   Workmanship: 60 points
   Presentation and Showmanship: 30 points
   Accuracy of Information: 10 points
   TOTAL: 100 points

2. An exhibit box smaller than the standard size may be used for the lapidary exhibits if appropriate.

3. Specimens should be arranged across the 18-inch dimension of the exhibit box (exhibit box will be 18 inches across the top and 12 inches deep)

**Classes:**

Class 6 – **Lapidary Display I**: At least 30 gemstones and minerals that will cut or polish. Five of the specimen must be collected by the member from the native site (not limited to Kansas). Polish 15 of the gemstones by tumbling. Label, giving identification of material and county where collected, or state or county of origin for non-Kansas material.

Class 7 – **Lapidary Display Exhibit II**: At least 6 gemstones and minerals that have received lapidary treatment. Lapidary treatment may consist of tumbling, polishing and end or face, or flat lapping. Specimens must represent at least 3 different cabochons of any shape or size. Three of the cabochons must be mounted. Label specimens as appropriate.

Class 8 - **Lapidary Display Exhibit III**: At least 15 gemstones and minerals that have received lapidary treatment. Lapidary treatment may consist of tumbling, polishing, and end of face, or flat lapping. Specimens must represent at least 5 different gemstones and minerals and include at least 5 different cabochons of any shape or size. Five of the cabochons must be mounted. Label specimens as appropriate.
Class 9 – **Lapidary Silver Smithing**: Display three or more handcrafted mounts. Each mount must contain a different variety of polished stones. Both mounts and stones must be made by the exhibitor.

Class 10 – **Lapidary Advanced Project**: Related to lapidary. May include special exhibit gemstones and mineral or unique lapidary treatment carvings, spheres, etc.). Exhibit limited to 4 feet of table space or to no more than two exhibit boxes with sliding glass or Plexiglas cover.

   i) Attend TWO approved with Horse Clinics throughout the year set by the Horse Advisory Board.
   ii) Parent or Guardian must work a KSHSC horse show for the current year.
   iii) Complete Horse Achievement Level I written, leadership and riding test before July 9. Horseless Horse and Horse Project members-only showing in Fitting and Showing and Halter Confirmation Classes, need to complete written, leadership and groundwork only. No riding portion is required.
   iv) Make stall reservations by May 1, preferably.
3) Any corrections, additions, or deletions must be turned into the barn managers prior to the start of the day. Please note changes in age groupings.
4) A 4-H Horse Identification certificate must have been completed and turned into the Extension Office by May 1 of the current year.
5) Horseless Horse project members must have completed a Horseless Horse Identification certificate and turned it in at the Extension Office before June 1 of the current year.
6) All exhibitors in All Racing, Driving, and Hunter Hack classes and during fence warm-up exercises are required to wear an approved helmet with safety harness secured. The helmet must have the ASTM/SEI sticker intact on the inside of the helmet and a date within the last five years. It is the responsibility of the parent or guardian of the 4-H member to see that the headgear is worn complies with the approved standards and is in good condition.
7) All horses in the 4-H project must have a current negative Coggins test. These papers must be shown to the barn manager prior to unloading the horse. No exceptions will be made.
8) For Halter Conformation Classes: only 4-Hers having more than one entry in the same class may have another Wyandotte County 4-H member assist with the second entry.
9) A horse may be shown in only one breed class in Halter Conformation.
10) All other Classes: will be limited to one entry per class as per the Kansas 4-H Horse Rule Book (S133, revised Jan. 2018)
11) Please refer to the Kansas 4-H Horse Show Rule Book for all other rules governing the 4-H Summer Showcase Horse Show.
12) The base date for figuring ages is January 1 of the current year.
13) Stallions are not eligible for competition.
14) All 4-H Horses will be washed at the wash rack located at the assigned area. It is the 4-Her’s responsibility to clean up any messes after their animal at all times.
15) All horses must be on the fairgrounds by Tuesday at 8 am.
16) All horses will be released after 10 pm on Saturday of the fair. Any request for early release must be presented to the 4-H Office in the 4-H Exhibit Hall (Red Barn). (However, awards may be forfeited).
17) Exercise hours will be listed on the schedule with ground rules to be posted on both barns.
18) Hay, grain, and bedding must be furnished by the owner.
19) A 4-H sign is required on the stall, to be furnished by the Extension Office.
20) 4-Hers must keep their stall clean throughout the fair and clean it thoroughly before leaving the fairgrounds at the close of the fair.
21) Horses may not be hauled in for an event unless the 4-H member has met all requirements for coming to the fair, and all stalls have been reserved.
22) Stall Decorating Contest (Pending): Judging for this contest will take place after 12 noon on Friday.
23) All 4-H members showing at the fair must have a Code of Conduct form, which has been signed by the 4-H member and parent or legal guardian. No exceptions will be made.
24) No one other than 4-H Horse Project members, their immediate family, and Horse Advisory Board approved alumni will be allowed to ride the horses stalled for the fair. If help is needed with a problem while handling, riding, clipping, etc., help should be obtained from another 4-H member if possible.
25) All fitting and showing of any animal (in the horse project, this refers to Showmanship at Halter) must be done in part by the child with help only from family members, fellow current Wyandotte County 4-H members, Horse Advisory Board members, and Horse Advisory Board approved alumni. There are to be no professionals involved. Any deviation from this rule may result in disqualification. The animal shown in Division 32 must be owned/leased and properly identified by the exhibitor by May 1st (excluding Horseless Horse).
26) A pre-entry is required for each horse. A 4-H member may enter as many classes as he/she would like to show in during the fair. If unsure, it is better to pre-enter in the class, and then scratch the day of the event. If a 4-H member is showing more than one horse in the Halter Conformation class pre-enter the animal and the person that will be showing the other animal for you. Except in Halter Conformation, no more than one horse may be shown in any other class.
27) After the check-in on Tuesday of fair week, no horses will be allowed to leave the fairgrounds during the Fair for any reason, other than an emergency, except those who are not assigned stalls. All horses must be removed by Sunday at noon. Any horse leaving prior to check-out time will forfeit all premiums and placings earned during the fair. All stalls must be cleaned before leaving the fairgrounds, and the barn manager must approve the stall before you leave.
28) No horses will be allowed on blacktop areas, such as parking lots, walkways, etc. unless traveling to wash racks located at Livestock Pavilions.
29) Boots must be worn by 4-H members and adults when riding with a saddle, regardless of whether riding in the main arena, the practice pen, or adjacent areas. Boots must also be worn by 4-H members when working horses in the arena (e.g., lunging, or practicing showmanship).
30) Riding double, except during the costume class, is prohibited.
31) There shall be no running of horses except during the racing events or scheduled race practices.
32) Riding horses in the barns is prohibited. Horses must be led in and out of the barns.
33) Make sure there is plenty of water for your horses at all times. The 4-H exhibitor is responsible for supplying his/her own hay, grain, fans, and stall cleaning equipment and for making sure that your horses are cared for.
34) The “No Smoking” signs will be strictly enforced.
35) Arena exercise will be done in the arena and practice pen. Adult supervision is required. Parents are responsible for supervising their own children. Unsupervised children may be asked to leave the arena and/or practice pen.

36) Parental supervision is required during the fair. Horse Board members, Barn Managers, and other parents cannot be expected to watch children other than their own. Do not drop off your 4-H member for the day.

37) In case of inclement weather, any events that have to be canceled for the day will be rescheduled, and the make-up dates will be provided to all members who would have been eligible to show originally.

38) Questions regarding placings or rules of the show should be made by the contestant (4-H member) and should be referred to the show management. No contestant or parent is allowed to direct questions or complaints to the judge. If a problem exists, it will be presented to the appeals committee. This committee will consist of the show manager and two other agents or leaders. The appeals committee can confer with the judge; however, the judge’s decision is final.

39) All requirements and/or restrictions on class entries will be listed in the exhibitor’s handbook. Any questions regarding eligibility to enter a given class shall be directed to and resolved by the appeals committee.

40) All contestants and family members are expected to display proper conduct and politeness at all times.

41) Unsportsmanlike conduct will not be tolerated and will result in forfeiture of all placings and premiums earned that day.

Fair Superintendent: Tamara Root, troot92002@gmail.com

Entries accepted: Sunday, July 5, 11:00 a.m.-2:00 p.m.
Conference Judging: Sunday, July 5, 2:00 p.m.-4:00 p.m.

Rules:

1) Open to all members enrolled in the Photography Project.
2) Entries will be according to class numbers. Superintendent reserves the right to re-classify, if necessary without notifying exhibitors.
3) Black and white and color photographic prints and videos may be exhibited.
4) There is no limit to the number of photos that can be exhibited per person.
5) 4-Hers can submit five photos for conference judging.
6) Photographs entered must be the result of the current year’s project work by the 4-H member.
7) Remove any white borders from the photo print before mounting.
8) All photos must be no larger than 8” x 10” and no smaller than 7” x 9”, after trimming.
9) Photos are to be mounted across the narrow (11”) dimension of an 11” x 12.5” sheet of white or cream studio matte board. Mount boards may be purchased from the Extension Office. (No foam boards or poster board)
10) Photos must be mounted with the top edge of the print 1” below the top of the narrow side of the mount. The sides of the print must be equal distance from the two sides of the mount.
11) A permanent mount must be made using photographic adhesive.
12) The Wyandotte County Fair 4-H Photography ID Form (available from the Extension Office or the county website) must be used and mounted correctly on the bottom front of the matte board. Illustration hand-outs available at the Extension Office or on-line at http://www.wyandotte.ksu.edu
13) No lettering, including dates, is permitted on the front of the mount or on the photo. Only the Wyandotte County Fair 4-H Photography ID Form is to have lettering on it. No underlay or borders are to be used.
14) To protect exhibits from dust, moisture, and fingerprints, it is strongly recommended that photos be placed in the new plastic, protective sleeves. (Available at the Extension Office).
15) On the back of the mount write exhibitor’s name, address, county and club name.
16) Photos entered in any class of the 4-H Photography Division at the Wyandotte County Fair may be selected for use in special contests or displays that may be offered at the Fair. The entry of a photo in the 4-H Photography Division grants permission for such use.
17) Improperly mounted photos, oversized or undersized photo, photos with white borders not removed or lettering (including dates) on the photo, will be awarded a ribbon one placing lower than the placing determined by the official judge
18) Photographs taken with a digital camera and having no more adjustments than exposure, color intensity of correction, one-click filter effects, red-eye removal, cropping, dodging and burning should be entered in the standard color or black & white classes.
19) Digital composite image: Finished photo must be created from two or more original sources created by the exhibitor. Photos will be judged on photographic merit as well as manipulation technique and process.

20) The black and white class is for black and white prints only. Monochromatic prints, including sepia prints, are considered color photos and must be entered in the appropriate color photo class.

21) Photos with special effects are defined as: Anything that has been added to a basic photo by way of external filters (except polarizer or neutral density filters) or computer manipulation (does not include normal cropping, enlargement, or color intensity treatment). The photo must be an original taken by the exhibitor. The exhibitor must provide a (4x6) original photo, placed in an envelope, mounted on the backside of the photo studio mount.

Class 30 - Any Other Vegetable: Not already classified enough to make a display. Each exhibitor may make up to 4 entries in this class. Each entry must be a different vegetable.
Class 31 - Garden Display: 5 different fresh vegetables. Only one variety of a specific vegetable may be exhibited. Vegetables must be produced by exhibitors. Each exhibitor must furnish a tray or container for display.
Class 32 - Special Projects
Class 33 - Fresh Culinary Herbs: (ex. Parsley, basil, dill, etc.) Six stems (or a comparable quantity) of ONE VARIETY of fresh herbs exhibited in a disposable container of water. Dried herbs are not accepted.
Division 43 – Poultry

4-H Project Leader: Kristi Priddy, 913-908-5908
Entries in place by Monday, July 6, at 7 p.m.
Poultry Showmanship: Tuesday, July 7, 9:30 a.m.
Poultry Judging: Tuesday, July 7, immediately after showmanship.
Cage reservations are to be made with project leader by Saturday, June 6
Barn Set-Up will be Saturday, June 27

Rules:
1. Open to all 4-H Members enrolled in the Poultry Project.
2. Each exhibitor may make an unlimited number of entries per class if the pen space has been reserved.
3. Pens will not be provided unless space is reserved, by Saturday, June 6.
4. All birds will have to be Pullorum tested prior to their being unloaded and put on display for fair. There will be a cost per bird for the test. A mandatory clinic will be scheduled. The owner must present evidence, such as a sales slip or name of hatchery (this must be an original form from the hatchery), that the entries were purchased from a pullorum-typhoid clean source with a valid NPIP number. The method can only be used within 90 days of hatch. This means that the only birds that will qualify under this method will be Cornish-Rock cross meat birds. Market broilers shown at the Kansas State Fair qualify under this method. Because almost all exhibition birds shown in a poultry show will be over 90 days of age, they will need to show proof of testing. Indicate the name of the source under column (2) of the testing form.
5. A grand champion ribbon may be awarded.
6. Superintendents will check all birds. If a bird appears ill or injured, they will not allow the bird to be displayed. Owners are encouraged to work with their local veterinarian for injured or sick birds.
7. Unless otherwise indicated, all entries must be single birds.
8. Must own birds by May 1 of exhibit year, excluding broiler birds
9. The Grand Champion and Reserve Champion Meat Bird Pen of Three may be sold at the Livestock Auction.
Livestock entries are limited to residents of Wyandotte County unless the exhibitor is a member of a Wyandotte County 4-H club.

Division 50 • Space Tech & Robotics • 4-H Building Exhibits

4-H Project Leader: KSRE Staff

Entries Accepted: Sunday, July 5, 3-5 p.m. and
        Monday, July 6, 7:30-9 a.m. & 5-7 p.m.
Conference Judging: Monday, July 6, 5-7 p.m.

Rules:
1. Open to all members enrolled in the Space Tech Project.
2. More than one exhibit may be entered in a class.
3. Each exhibit must have a 4-H fair entry tag.

Rocketry:
1. Rocket paperwork must be entered with each rocket, as follows:
   a. The “4-H Rocket Exhibit Information” form (available from the Extension Office), must be completed
      by the 4-H member and glued to the outside of a 10” x 13” manila envelope;
   b. The rocket plans (or a photocopy of the plans) must be placed inside the manila envelope;
   c. One to three photographs of the rocket at the launch site must be mounted on one side of an 8” x 11”
      sheet of paper and placed inside the manila envelope; photographs showing the rocket at the
      moment of ignition are preferred.
   d. Original design rockets must include a summary statement explaining how the rocket was tested for
      stability prior to flying; include this in the manila envelope.
2. Angles of rocket fins must fall with a plus or minus 2 degrees variation.
3. Rockets must be uniformly painted, smoothly finished, have decals applied smoothly, and be properly
   assembled and painted according to accompanying plans.
4. Rocket beginner kits with prefabricated plastic fin assemblies and pre-finished rockets requiring no painting
   are not acceptable, except in Class 1 by a first-year Aerospace member.
5. Engines and igniters shall not be exhibited with the rockets.
6. Exhibitors who exhibit a rocket using a size E or larger engine (Class 9) must provide their National
   Association of Rocketry (NAR) membership number on their 4-H Rocket Exhibit Information form.
7. All rockets and CO2 cars must have been fired at least one time before they can be exhibited.

Astronomy:
1. Telescopes may be kit or original design.
2. Telescopes should not be more than 2 feet long and must have a stand to support the telescope, but the
   stand must not be taller than the length of the telescope.
3. Telescope paperwork must be entered with each telescope, as follows:
   a. “4-H Astronomy Exhibit Information Form” which is glued to a 10” x 13” envelope.
   b. Plans (or a photocopy) for the telescope must be placed inside the envelope.
   c. One or more photographs of the telescope construction and operation are required. Photographs
      should be mounted on one side of an 8 1/2 “x 11” page.
d. A short summary of when and where the telescope was used must also be in the envelope.
e. For original design telescopes, describe in the summary of how it was tested for accuracy.

2. The telescope must be properly assembled, uniformly painted, smoothly finished, and may have decals if they are applied smoothly.

3. Educational exhibits should be creative and must not be any larger than 24” wide by 28” tall. Glue the 4-H Astronomy Exhibit Information Form to the outside of a 10” x 13” envelope. In 100 words or less, describe your experience in the Astronomy project this year and place it in the envelope.

**Robotics:**

4. Each robot must be able to stand or sit freely by itself without additional supports. The robot’s dimensions must be no larger than 2 feet wide by 2 feet deep by 2 feet high.

5. Robotics paperwork must be entered with each robot, as follows:
   a. “4-H Robotics Exhibit Information Form,” which is available from the Extension office. This completed form must be attached to the front of a 10” x 13” manila envelope.
   b. Plans (or a photocopy of the plans) for the robot’s construction and/or copies of the programming code if the robot is programmable.

6. All electronic components of the robot must be adequately covered or concealed with a protective enclosure. All robots must include an on/off switch for operation.

7. Robots that include weaponry for the purpose of causing physical harm to another robot will be disqualified.

8. The robot must be able to accomplish the goal the maker designed it for. Examples: Be able to vacuum the floor. Find the brightest spot in the room. Mimic life. Follow a line.

9. Creativity will be a strong criterion in judging the “Original Robot” classes. “Original Robot” may not be modifications of robot kits. However, these classes may include robots made from Legos Mind-storm Robotics parts, provided the plans and programming are the original work of the exhibitor.

10. Classes: 16, 17 and 18 are designed to encourage teamwork among individuals and/or 4-H clubs to build a robot from initial design to a finished project. Robots in these three classes must be an original design and not merely modifications of existing kits. The age of the oldest member of the team will determine whether the robot will be entered in class 16 or 17; however, no member under age 10 will be able to exhibit at the Kansas State Fair.

**Space Tech Classes:**

Round Robin Showmanship
The contest will be Thursday, July 9 at 7:00 p.m.

Superintendents:
Christy Hardwick, Steve Mortell

Rules:
Please note, this is not a division in which 4-Hers can enroll or enter projects in. This is merely a fun competition for the top showman from livestock species to compete for a prize donated by the Wyandotte County Farm Bureau. No ribbons will be given; only the top three overall scores will receive a prize.

1. To qualify for Round Robin Showmanship, the following criteria must be met:
   a. In order for animals from the horse, beef, sheep, goat, and swine divisions to be represented in Round Robin Showmanship, there must be at least one showman from that species who is eligible and agrees to participate, and two animals in the species. All ages divisions (Jr., Inter. And Sr. are eligible to participate in Round Robin) The idea is to have the best showman from each species compete for the title of “Ultimate Showman”.
   b. Judges will select a champion and a reserve champion, and one through four alternates, in the overall showman competitions of each species. If the champion and/or reserve champion does not choose to participate, then the first alternate is eligible, and so on.
   c. Contestants must agree to provide, for Round Robin competition, the animal with which they placed in showmanship judging as well as any equipment necessary for the show. (e.g., halters, brushes, whips, sticks, etc.)

2. Qualifying contestants must choose only one species category to represent in Round Robin Showmanship.

3. With the exception of the Horse Project, each contestant must declare which species they choose to participate under. They must report their decision to their Project Leader or Superintendent by 9:00 a.m. on the morning of the Round Robin Competition.

4. In competition, youth will start one species to the right of the species they qualified in and will finish with their own species.

5. Each species superintendent must be present and responsible for their species at the competition to make sure the correct animals are used. All species can be switched due to health/safety concerns for the animal and for the youth. Any substitution of animals for competition due to animals’ illness or injury will be made at the discretion of the species division superintendent.

6. Judges from each species category score individuals from that category on a scale of one to ten points (decimals are encouraged).

7. Placings will be determined by adding the individual’s scores from each species to get a total score. The contestant with the highest total score is awarded 1st place; the second-highest score is awarded 2nd place, and the 3rd highest total score is awarded 3rd place.

8. In the event of a tie, prizes for the tied placings will be combined and divided between the tied contestants.

9. The winner will be announced prior to the Livestock Premium Sale.

10. On the day after the presentation of winners, all scores may be picked up from the Round Robin superintendents after 9:00 a.m.
The rules and events set forth in this 4-H Exhibitor Handbook will govern the WyCo 4-H Summer Showcase held during Wyandotte County Fair.
