

WYANDOTTE COUNTY FAIR PROTEST

Any 4-H member or his/her parent wanting to file a protest on the qualifications or eligibility of any competing person, animal or object submitted for competition and showing in any 4-H class or event at the Wyandotte County Fair must comply with the following procedure:

- The protest must be in writing, using the official form available from the 4-H division superintendent or the Extension Office
■ The written protest must be submitted to the superintendent of the division in which the protested exhibit is made, or to the Extension Office if the protest concerns the eligibility of a 4-H member to compete in a 4-H division of the fair.
■ The written protest must be submitted within 24 hours following the incident giving rise to the protest.

The written protest will be handled by a Grievance Board consisting of persons designated by the Board of Directors of the Wyandotte County Extension Council, and its decision shall be final. If, however, the Grievance Board determines that the nature of the protest is not 4-H related, then the person filing the protest will have the option of taking his/her protest to the Wyandotte County Fair Board.

All protests must be in writing using this form and submitted to the 4-H Fair Office located in the 4-H Building, or the Extension Office within 24 hours following the incident giving rise to the protest.
