MAKE THE MOST OF WINTER

Written by Jessie Carr, 4-H Youth Development Agent

Winter is a pretty quiet time for 4-H. There may be fewer activities and events, but we are still here! Winter months are the perfect time to set project goals, catch up on record keeping, learn about new 4-H projects, or even connect with 4-H Staff. Local and state 4-H staff members use the winter months to plan and get ready for spring and summer aka the busiest times of the year for 4-H! I am excited to see all the learning and growth that will take place this year in Wyandotte County 4-H. As your 4-H agent I am here to support you in whatever capacity you might need. Let’s Make the Best Better together!
IMPORTANT DATES

February
- 4 – County Club Day registration deadline
- 19 – County Club Day

March
- 26 – Regional Club Day
