- The one time $15 enrollment fee is due to 4-H Online by November 15.

- Additional projects can be added at any time through the 4-H Year up until May 1st.

48 Hours of 4-H

What better way to kick off our new 4-H year than with a 48 hours of 4-H service project!

48 Hours of 4-H is coming up on October 7-8th, right after National 4-H Week! 48 Hours of 4-H is a time for 4-Hers to give back to their communities through a community service project.

48 Hours of 4-H is open to everyone in the community, 4-H members, 4-H alumni, parents, volunteers, community organizations, and friends. It is one weekend for everyone to serve the community together and "Make the Best Better!"

These projects can be done as individuals or groups (clubs, extension units, families, etc.) No matter what project you choose, this is one weekend to make a difference. The project does not need to last all weekend — any project during these 48 hours is great. Can't do your project that weekend? Schedule a project any time in October.
Do you or your club need an idea for your 48 Hours of 4-H community service project? Check out the Kitchen Restore Project!

The Kitchen Restore Project is a partnership between the Kansas City Kansas Community College and K-State Research and Extension Wyandotte County to provide basic kitchen items to families in need. Donations of gently used or new kitchen items can be dropped off at the WyCo Extension Office. This is a great service project to help those in need while also clearing out clutter in your kitchen!

KITCHEN RESTORE PROJECT

K-State Research and Extension Wyandotte County is partnering with Kansas City Kansas Community College to create The Kitchen Restore Project. The Kitchen Restore Project strives to improve the quality of life of Wyandotte County residents through the provision of basic kitchen items to those with minimal or no resources for cooking.

DONATIONS ARE NEEDED!

Updated Project Names

K-State has updated the list of projects and names of project that are offered by Kansas 4-H. Most of the projects will remain the same with slightly different names. These changes will be reflected in 4-H Online and at the county and state fair.
As the 22-23 4-H year comes to an end and we look forward to the new 23-24 year, K-State Extension will be doing some "behind the scenes" work on our online platform 4Honline.com.

4-H Online will be shutdown and unavailable from **September 21 to September 30 at midnight.** 4-H Online will reopen and be available for enrollment on **October 1**- the start of the new 2023-2024 4-H year.

During this time early enrollment/re-enrollment is not possible. Even if you are able to get into the website during the shut down time period, no information entered will be saved. Please wait until **October 1** to do any enrollment.

If you are assisting a new family or 4-Her, please have them wait until **October 1** to create their new account. If they create a new account before **October 1**, their account will be deleted at the state level.

Please keep these dates in mind while working or record books. You will not be able to access any records kept on 4-H Online the week before record books are due.
It's that time of year to start putting together your record books! All of the information about creating and submitting your record book is available here.

You can also go online to the WyCo Extension website under the 4-H Youth Development tab, then go to Record Keeping on the left side of the screen.

Participation with 4-H Record Books are a great way to practice record keeping, written communication, as well as compile information for scholarships and college or job applications.

The Extension office is giving away FIVE (5) of the record book covers to 4-Hers!

Edit: There are 3 left!!!

Record Books will be due Monday October 2, 2023

If you need extra pictures for your record book- check out the free online portfolio our Communications Manager, Rebekah Branch, created of all the photos she took at this year's County Fair https://www.flickr.com/photos/wycoksre/page1
**State 4-H Dog Conference Oct 21-22**

**Kansas Youth Leadership Forum and 4-H Volunteer Forum**

LIGHTS, CAMERA, ACTION and Leadership is the theme for the 2023 Kansas Youth Leadership Forum!
