VOLUNTEERING IN STYLE

MONTHLY WYANDOTTE COUNTY 4-H VOLUNTEER TIP SHEET

Hi Volunteers!

Spring has sprung so have 4-H activities! As a reminder, clubs and projects can meet in person as long as current COVID protocols are being followed (i.e., wearing masks, social distancing, etc). If your club or project would like to host an event or activity outside of your regularly scheduled meetings, please contact Jessie as soon as planning begins. For the time being, in-person events will need to be approved at both the local and state level; this is an added layer of protection for our families, volunteers, and staff.

Let us know how we can support you.
