This workshop is part of a series of regional workshops that are being held across the state of Kansas in February 2020. However, the information presented at this workshop is geared towards vendors in both Kansas and Missouri. The workshop is also part of the 2020 Growing Growers workshop series: www.growinggrowers.org

This workshop is supported by the Kansas Department of Agriculture and the Kansas Center for Sustainable Agriculture and Alternative Crops and the Kansas Sustainable Agriculture Research and Education Program.

*KSRE is committed to making its services, activities and programs accessible to all participants. If you have special requirements due to physical, visual, or hearing disability, please contact Londa Nwadike at lnwadike@ksu.edu*
