EXTENSION MASTER GARDENER
UPCOMING CLASS

Designing for Small Spaces

Merle Sharpe, Long-time Extension Master Gardener, retired landscape designer and featured in Better Homes & Gardens Small Space Gardens magazine.

This presentation is an in-depth look at design principles particularly useful in small spaces. It will explore color theory, the golden ratio, forced perspective and some useful design techniques – none of which is as “heavy” as it sounds! Plants that are particularly useful in small spaces will also be covered.
