

WYANDOTTE COUNTY EXTENSION MASTER GARDENER SPEAKER'S BUREAU

Would your group like to learn more about gardening? The Wyandotte County Extension Master Gardener Speaker's Bureau is here to help. Program speakers have received a minimum of 40 hours of training by K-State Research and Extension horticulture specialists and most have received additional advanced training.

The Extension Master Gardener Program is a volunteer educational service with the mission of providing sound horticulture information to the residents of Wyandotte County. While no fees are charged for Extension Master Gardener presentations, any honorariums donated will go to providing reference material, and to assisting the various programs sponsored by the Extension Master Gardeners. The Extension Master Gardeners are a not for profit organization.

To arrange for your Extension Master Gardener's presentation, contact the Wyandotte County K-State Research and Extension Office at (913) 299-9300 to be put in contact with the Horticulture Extension Agent. We will then match your needs with one of our many speakers. We request that there be at least ten people per presentation.
